The Winster Guisers would like to extend our sincere thanks to all the venues that have kindly agreed to host us and allow us to entertain their customers during the Christmas season.

We are grateful for the warm welcome and support shown to this long-standing local tradition. Without the generosity of our hosting venues, it would not be possible to bring the Guisers' performances to so many people throughout the Derbyshire Dales this festive period.

We hope that members of the community will support both the Winster Guisers and the venues that host us by coming along to enjoy the performances, joining in the festive spirit, and supporting these local businesses.

Thank you, and we wish everyone a very Merry Christmas and a Happy New Year.

Snow Warden Scheme 2026

Derbyshire County Council is responsible for gritting Main Street, but not the village's other roads, footpaths, or pavements.

For these areas, the Parish Council relies on volunteers who are willing to help keep routes passable during periods of ice and snow.

Training and basic equipment are provided. All we need are volunteers.

If you would like to help, please contact the Parish Clerk, Trisha Dale, at clerk@winsterparishcouncil.gov.uk.

Burton Institute Appeal!

If anybody has spare tea towels, the Burton Institute would very much appreciate them please.

They can either be dropped at Armature Cottage, opposite the BI, or call Andy Clapham on 07748 053778 and he'll collect them.

A MUST READ - The end of the telephone “landline”

Telephone “landlines” are set to become history by the end of January 2027. If you really are still using one (see below), contact the company you pay your bill to - soon - to arrange to switch over.

The switch does not mean any physical change to the copper wires into your home. Fibre-optic upgrades are happening separately: this upcoming deadline simply changes the signal running down your existing copper line from “analogue” to “digital”. It is usually achieved without an engineer visit.

Analogue lines have been powered by the exchange. Digital lines need home-powered equipment to process the signals.

HOW DO YOU TELL whether you are yet to change?

Phone only – no broadband: If your phone (or cordless base station) plugs directly into a BT wall socket, you must arrange an upgrade. No need to buy Broadband; you can remain on a voice-only plan at the same price. Your provider will supply the necessary equipment without charge.

Alarms: you should have been contacted by your supplier. If not, call them.

Broadband with Phone: Under digital, your phone plugs into your router rather than a BT wall socket.

Broadband without Phone: Check your bill; if you are still paying for "Line Rental," you have not yet changed.

POWER CUTS

Crucially, digital lines do not work during a power cut. Unlike old “analogue” lines, digital lines require local backup power. Without electricity, you will lose your landline, broadband, and Wi-Fi Calling on your mobile.

If you have no usable indoor mobile signal, Ofcom legally requires your provider to provide a free “solution” (usually a backup battery) to let you keep making emergency calls in a power cut. This applies to anyone without a mobile signal, not just “vulnerable” customers. If you are refused, get in touch and I will try to help.

Vacancy for Winster Parish Councillor

• Do you want to help make the parish of Winster a better place to live?

• Are you interested in making a difference to your community?

• Do you want to represent the views of local residents?

Winster Parish Council currently has a vacancy for Parish Councillor.

By becoming a Parish Councillor, you become someone in the community that local residents can look to for help, guidance, and support.

In essence you become a community leader with the power to influence and contribute ideas for the benefit of people you serve.

If you would like to make a difference and be involved in shaping the future of your local community, why not put yourself forward and apply to become a Winster Parish Councillor.

If you are wishing to be considered for the role of Parish Councillor and meet the eligibility requirements below then please contact the clerk for more information and/or an application form Trisha Dale -

clerk@winsterparishcouncil.gov

The application form can also be found on the Parish Council website.

The closing date for applications is Thursday 27th November 2026 Applications will be considered at Winster Parish Council's meeting being held on Monday 7th December 2026.

ELIGIBILITY REQUIREMENTS:

To be a Councillor you must be:

• A British, Commonwealth or EU citizen.

• Aged 18 years or over.

• In one of the following categories:

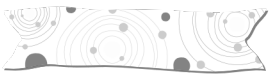
a) appear on the Electoral Register for the parish,

b) have lived in (or within 3 miles of) the parish for at least a year.

c) have had your main place of work within the parish for at least a year.

Trisha Dale

Winster Parish Council Clerk/RFO



From Helen Saunders - Chair of Governers White Peak Federation on behalf of Winster Village School

Thank you to the Winster village organisers and quizzers!

A big thank you to Amelie, Cerys and everyone involved in organising and taking part in the Winster village quiz for their generous £140 donation to our school. The money will be used to benefit our pupils and enrich their school experience. Our school continues to go from strength to strength, and we were delighted to welcome five new pupils this year. We are very grateful for the village community's kindness and support.

On behalf of all our pupils, thank you for thinking of us!

Chess at the Bowling Green

On Thursdays at 5.30 pm at the Bowling Green, there are now a few regulars who get together for a game and a pint. Everyone is welcome whether you are a bit rusty like some of us, a beginner or even someone who would like to learn the game. So far no grand masters have turned up - so that's a relief!

SING CHRISTMAS CAROLS at the MINERS' STANDARD

There's nothing like having a good sing round a piano in a pub, and when the songs are Christmas carols it's extra special.

So on Sunday 27 December we're meeting at 7pm in the Miners' Standard to sing a selection of carols – some national favourites and some special to Derbyshire and South Yorkshire. There will be solos, too.

Our pianist, Frazer Jarvis, will get us started on the right note and keep us to the tune, and booklets of words will be available to help with any unfamiliar ones. (Regulars may wish to bring their red or blue carol books).

This has become an annual event. Singers come from the community round about to enjoy the friendly atmosphere and sing. Everyone is welcome (but it can get very crowded). More info: 07717 338590.

An Apology & Celebration: The Winster Country Show

In my recent Wakes Week write-up, I made a major blunder by omitting a vital cornerstone of our celebrations: The Winster Country Show which takes months of hard work to pull off.

To Ali and the brilliant team, please accept my sincerest apologies. I am thrilled to share that this year was their best since Covid, pulling in 99 incredible entries and a four-year high in attendance! They also raised fantastic community funds through their guessing games.

The Show is a vital part of our wakes celebration and showcases our local talent from young to old. Looking ahead, please mark your calendars for next year's Show on Thursday 1st July 2027. Thank you to everyone who made it such a resounding success!

Irene Webster

Chairperson, Winster Wakes Committee

News from the Pond and Community Orchard Group

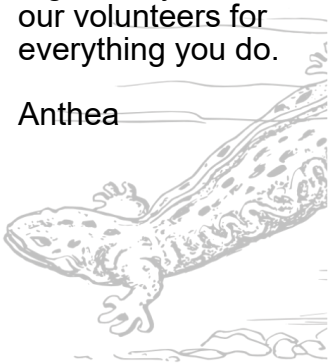
Thank you to Clive Newton for shoring up part of the pond and making the path safer and Steve Griffiths for planting over 200 bulbs.

Our next community event is Saturday, the 16th of January 2027. In the morning we will be pruning the apples and pears and in the afternoon we will hold a Wassailing event with the help of Keith and Sylvia Needham.

What is Wassailing? You'll have to see next issue of the village mag to find out more!

Big thank you to all our volunteers for everything you do.

Anthea



Have you got enough water laid by?

The government is recommending that households should hold at least 10 litres of water per person against emergencies.

Bottled water is clearly one option, with the water still good to use for up to two years. But apart from environmental issues, bottles are not very stable, and you need quite a lot of them.

The other option is to keep an emergency supply in reusable containers.

If these are filled right up, and kept in the dark, water will keep good for up to 6 months without special treatment before you need to refill.

In looking for suitable containers for our household, I found a UK maker of stackable food-grade 5-litre and 10-litre containers at an attractive price apart from a high delivery charge - so I want to see if there is enough interest in the village for a bulk order.

If there is reasonable interest, the delivered price will come out at £5 for each five-litre container, and £6 for each ten-litre container. The containers come with caps, but it would be worth buying one tap (£4) to make it easier to get the water out. Any profit will be donated to Winster Shop.

If anyone is interested, details are at **https://winster.org/pages/jerricans.htm** or QR scan

I need your orders - by email to john@winster.org or by phone to 01629 650364 - by 8th December. Delivery hopefully before Christmas.

Winster Village Shop – Fruit and Vegetables

Did you know that you can order pretty much any kind of fruit, vegetables and herbs from the shop in whatever quantity you need?

So…... if you just want 2 apples, 1 orange and 3 bananas each week…. You don't have to buy in larger quantities!

If you want half of a cucumber, half of a white cabbage and just 100 g's of mushrooms you can order that too!

Likewise if you want to make some marmalade you can order kilos of oranges as well!

Buying locally allows you to purchase in smaller quantities (saving waste), buy it when you want it so that you know it is fresh and cuts down on journey time, parking and fuel costs.

Following comments made by attendess at the AGM earlier this year, one of our regular customers recently ran an experiment….. they bought all of their fruit and veg from the shop for 4 weeks (ordering on Friday for delivery on Monday). In that time they spent a total of £51.23 buying the following:-

Mushrooms 250g x2, white cabbage, Broccoli x2, Beetroot, white grapes, white onions, cucumber, Braeburn apples (8) red pepper (1), carrots x2, bananas (8), white potatoes(2 kilos), courgettes (2), little gem lettuce, sweet potato, red onions, celery, tomatoes, 2 baking potatoes, yellow pepper (1), kale (1k), spinach (bag) and a butternut squash.

This is what they said about it…… " I thought that buying my fruit and veg locally would prove to be more expensive but although some things are a bit more than a supermarket might charge, the quality was very good, I planned my menus more efficiently, didn't have any waste at all and I could simply pick it up knowing that it was going to be there when I wanted it without a trip to the shops. I will definitely continue to buy from the village shop."

The village shop is a vital part of our community and provides a service second to none. Give it a try… order your fruit and veg for a few weeks or try it out for your Christmas shop to avoid the last minute scramble for Brussels sprouts OR your dried fruit, dates, figs and nuts. Just ask a member of staff or a till volunteer and they will be very happy to take your order….. the shop has a fruit and veg delivery everyday from Monday to Saturday.

Church Cafe

On Sun Dec 13th there will be a cafe at church followed by a concert given by the Albion Singers (see page 3)

In Jan, Feb and March, there will be a cafe once a month in church, on a Sun 2pm – 4pm. The Jan date will probably be Sun 17th, to be confirmed in the Jan Village Magazine.

It was great so many came to the cafe in Nov!

December Parish Letter

Please know that this Christmas you and your loved ones are in the prayers of our local church communities. Christmas is a season rooted in tradition and for some, great joy and for other people pain which we should be aware of. It's a time to cherish the moments we share with loved ones. It's a symbol of warmth and togetherness, a reminder of the joy that can be found in every holiday gathering. This year, let's take a moment to reflect on the importance of family and the simple pleasures that can bring us closer together. Perhaps, let's embrace the spirit of giving and let our actions speak volumes by supporting those less fortunate. Let's cherish the memories and the love we share this Christmas, for it's in these moments that we truly find peace and happiness. I write this on the day we celebrate our annual Toy Service when we reflect on and celebrate giving to others in Jesus name. This year, reflect on the vital importance of familial connections and the simple pleasures that can bring us even closer. May we recognize the profound impact of human connection and the simple moments that can transform our lives, whether through the warmth of a fireplace, the laughter of friends, or the gift of a loving gesture from loved ones. You may think I'm being quaint or romantic, but really embracing the values of love, joy, inclusion, and receiving Christ as a blessing in your own life and your own story helps us truly live our Christmas every day of the year! Let us embrace the spirit of giving and let our actions speak volumes by supporting those less fortunate. May our memories and the love we share find the warmth and happiness we desire in Christ. This Christmas, may you know The Babe of Bethlehem came to bring you peace and love. God bless you and your loved ones. And may we remember together our loved ones who rest with Christ in Heaven.

Matlock U3A

The u3a (formerly known as the University of the Third Age) is a UK-wide movement—and an international concept—designed to bring together people who are no longer working full-time to develop their interests, learn new skills, and socialise in a relaxed, supportive environment. Information about the Matlock branch of u3a can be found at **https://matlockarea.u3asite.uk/** or the local chair Sylvia Pearson Tel:07714 710099

Articles will appear on a quarterly basis starting this month with the Ukulele group

Matlock U3a Ukulele Group

If you're looking for a new challenge this autumn, Matlock u3a have two ukulele groups ideal for either beginners or "improvers"..

Learning something new and meeting different people is so good for your brain and all the laughter that we generate will definitely improve your mood.

The beginners group is for those who would like to learn how to play from scratch. We have some ukuleles for you to borrow and we can provide all the song sheets.

You don't need any previous musical knowledge, just a willingness to have a go and to do 5-10 minutes practice a day at home. You've nothing to lose and if after 8-10 weeks it's not for you, no hard feelings if you and the ukulele don't manage to bond.

If you already play guitar or have played in the past or if you feel like it would be a better fit, why not come along.

If there are any drummers out there who'd like to play a cahon to help us keep time you'd also be very welcome, as would bass guitar players. I have a spare ukulele bass and a cahon to use.

We meet weekly at All Saints Church Hall, Smedley Street, Matlock

This Autumn's courses are on Mondays

- Beginners 3-4 pm
- Improvers 2-3pm

The cost is just £3 per week to cover the cost of hiring the hall.

If you'd like to stay for both sessions it will be £5 per week Pay as you go.

Contact: Sylvia Pearson 07714 710099. sylviapearson8@hotmail.com

If you're not a U3a member you can try it out for 3 sessions after which if you'd like to carry on you need to join. It's £10 per annum for Matlock Area U3a, which will allow you to join plenty of other interest groups if you want to.
