Auction of Signed Sports Shirts in aid of the Winster Outdoor Play Area Scheme

The organising group has managed to obtain (or is in the process of obtaining) signed shirts of Chesterfield FC, Derby County, Nottingham Forest, Sheffield United, Sheffield Wednesday and an England cricket shirt signed by Graeme Swann, and we plan to auction them on eBay over the next few weeks to raise money for the new play area on Woodhouse Lane. Obviously we would like Winster people to bid, so details of each shirt and the dates of the auctions will be on display in the window of Winster Village Shop and on the two village notice-boards. We'll be starting with a Chesterfield special edition player's Wembley shirt signed by the team that won the Johnstone's Paint Trophy in March.

Please spread the word and help our fundraising efforts achieve the greatest possible success, for the benefit of the children of Winster. If you would like to bid but don't want to use eBay, please phone 650450.

Wasps Conquer Mighty Chinley To Reach Cup Final

In the shock of the season Wasps stunned run away league leaders in an epic battle at Grindleford. A solo second half effort by Billy Lester secured the win after resilient defending. Despite missing key personnel, and a disfiguring headwound to Captain Danny Wood, the makeshift team held on to take the spoils and set up a mouth-watering final against Baslow on Wednesday 9 May. Venue TBC - look out on village notice boards.

Patchy league form has continued but a commendable draw against Tideswell and a win against Eyam has kept the Wasps from the foot of the table.

Our last home league game is on Saturday 5th May at 2PM against Edale - see you there!!

Winster Pond Update

A small but willing and effective group of us mustered at the pond on Saturday 24th March. Due to earlier than expected frog activity, we postponed the planned weed clearance until September. Despite this we set about clearing the silt traps and feeder stream and cleared some of the old dead weed thatch from the marshy area to give the plants underneath a good start for the Spring. We also discussed and developed ideas for further improvements to the area around the pond, which include planting a community orchard and developing an area of woodland. We intend to present these to the Parish Council when we have them finalised. Many thanks to those who gave up their time to help out and to Wendy Kirton for supplying refreshments for the workers! If anyone would like further information about or input into future ideas for the area then please contact me or Dave. As always, we will keep you posted.

Carnival Week Sunday 24th June to Saturday 30th June

This is always a special week in Winster, and this year it promises to be as fun packed as ever. The Carnival Programme will be out in due course but new this year is Boules on Monday evening for adults and this is the week the Olympic Torch is coming through Derbyshire. This will be in Matlock Friday 29th June around lunchtime before going up in the cable car in Matlock Bath . Winster Primary School is closed that day and it's hoped that there will be an invite for some children to go to Highfields School at lunchtime to see the torch.

A Romanian friend of ours is coming to England shortly and is looking for two months holiday work. She is in her early forties and has often stayed with us in Winster. She speaks very good English. She can turn her hand to most things and until a couple of years ago ran a shelter for unmarried mothers and their children in Romania for an American charity. She could homesit, baby sit, clean, iron, wait-on, do bar work, translate etc., etc., and has a great sense of humour.

She will be here for June and July. If you think you can offer her some work at the basic wage, please Ring Sheila on 650220.

Winsters Local History Group Next Meetings
Monday 30 April at 7.30 in the Burton Institute

Andy Pollock: 'The Cromford and High Peak Railway'

The Cromford and High Peak Railway is one of England's railway gems. Conceived and born in the Georgian era it was a railway that thought it was a canal. It was among the first five true railways constructed in the world and has several features that were 'firsts' in railway history. This talk will explain how the railway came about, how it was constructed and how it operated into the latter part of the twentieth century while still retaining some eighteenth-century principles.

Vicar's Message Rev Stephen Monk

A Thought

There's nothing more annoying than the priest turning up and spouting pious platitudes when you're in pain or have lost a loved one. I tell you this because I'll be off quite a bit over the summer as I have to have a third spinal operation. I hate being in pain and I'm a pretty bad patient. But I hope to use that time as I begin to walk again and do the rehab to think and pray for our community. It may sound old fashioned but the role of the priest is not to sit on a hundred and one committees nor is it to go on courses. The role and vocation of the priest is simply to love and care for his people. I've visited some of you and I've spoken to more and I believe that there are a lot of people in Winster who have a sincere and real faith. Now maybe it just comes to the fore at Christmas or Easter or when there's a joy or sadness in the family. But that's great, at least there is a faith there. I simply want to assure you of my prayers and thoughts during my recuperation and I want you all to know that you are very much important and special in the eyes of God. if there are any issues you'd like me to pray for (obviously in confidence) please let me know by emailing rev.stephenmonk@btinternet.com or writing to The Rectory 15 Hall Rise.

Love & Prayers

Stephen

Book of Common Prayer.

This was the first official book of Worship for the Church of England; as such it is vital we don't let it die out. So, starting in May on the 2nd Sunday of every month we'll be celebrating a BCP Eucharist with Hymns, All are very welcome.

Supporting Families.

I've been speaking to a few families in Winster and at our School and they seem keen on a church service which is more relevant for today's world and more user friendly. Taking that into account from September I'll be leading an informal worship once a month at St. John the Baptist's. The aim will be to have a short informal and friendly service where children are very welcome. more news to follow.
