Parish News

In February and March we move through the desert of Lent. But this is a season of new opportunities and new life not simply a time to confess our sins, and see these as days of giving. These sacred days give us space and solitude (if we so wish) to reconnect with God and with each other; and also with ourselves. All this is to prepare once more to celebrate the Easter Mysteries. God in Jesus loved us all so much that he freely and with great love suffered and died for us all. But I truly believe that to engage with this love of God we need firstly to love ourselves, and value ourselves. Following on from this first action, we need to love each other. This solitude and silence doesn't belong to one churchmanship or another. It belongs to our humanity and to be truly human we have to be open to our spiritual side. I know myself to ignore the need for silence and solitude gives me a sense of being disquieted or uneasy. Moving forward with outreach and real loving service to our 5 parishes we need to give time to be still and pray. If we don't there's a danger to be reactionary and superficial and not God centred. But don't be too hard on yourself. we are all a work in progress. When we mess things up we simply stand up and brush ourselves off and try once more.

"To live a spiritual life we must first find the courage to enter into the desert of our loneliness and to change it by gentle and persistent efforts into a garden of solitude." When I went to theological college it was for 8 years. Within the education there was also a lot of space for formation. Formation calls us to have the courage of self-empty of ourselves. This is a way of growing closer to the 'real' me and by doing that growing closer to the 'real' God. I hope this makes sense - if I don't turn away from ego, sin, self obsession etc. there's a real temptation to make or recreate God in my own Image and likeness. In the history of most religion this is when things start to go wrong. To let things go from my history and to final solitude the image of the desert is life giving. This isn't easy. It's hard to let go of the image of 'me'. This requires not only courage but also a strong faith. As hard as it is to believe that the dry desolate desert can yield endless varieties of flowers, it is equally hard to imagine that our loneliness is hiding unknown beauty. "The movement from loneliness to solitude, however, is the beginning of any spiritual life because it is a movement from the restless senses to the restful spirit, from the outward-reaching cravings to the inward-reaching search, from the fearful clinging to the fearless play." In the shadow of Easter we know how much God loves us. Post Easter God once more offers us His hand and His love and forgiveness. God's love and God's grace and forgiveness if offered to all people. God sees our potential, God sees the real me and 'you' if only we have courage to stop and seek times of silence and rest. This is a real challenge today but the truth is, "the busier we are then the more silence and space we need." there's no accident that today there are more people suffering from mental health issues than ever before. This month, this year - we have an opportunity. Let the real 'you' shine forth. And be open to the truth that you are, truly a beautiful child of God. For people who like the media of Music to help them reflect please look up the two songs from Shinedown: 'Unity' and 'Get Up'

This month please know you are precious and you are daily in my prayers and thoughts.

Yours.

Revd. Stephen Monk

Winster Country Fair 2024

Hello again!

Would you believe it's time to plan for the Summer! Hoorah! It won't be long, so we're giving you all fair warning that the Winster Country Fair 2024 will be happening on the 4th of July.

The "Event in the Tent" was a huge success last year and we are aiming to make it even better this year. We are delighted to say that as we want our young people to be as involved as possible, every category will be available to every age group. All we need to know is the age of the entrant.

The age groups to which you are able to submit are: -
7 and under; 8-11; 12-16; 17+

Due to space restrictions, we have to limit the geographical area from which we can accept entries. So, good people of Winster, Elton, Birchover and Wensley, we would like to present to you the revised list of categories.

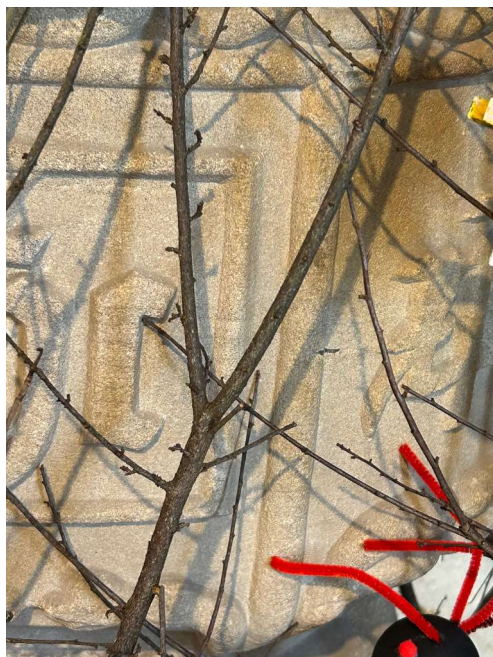

<ul style="list-style-type: none">• A Celebration Cake which tastes as good as it looks• A Tray-Bake made in a flat tin, cut and arranged on a plate• A gluten free cake• Jams and Jellies. <ul style="list-style-type: none">• School Infants• School Juniors	Theme yet to be confirmed

And now you all know, so... get planting, knitting, sewing, turning, chiselling and painting. There will be more information and regular warnings each month from now. If there is anything else you'd like clarifying, email me aliabsolute@hotmail.com or find me on the Facebook Winster Community page.

Best of luck and let the fun begin...

Burns Night 2024

27th January saw the return of Burns Night to the Burton Institute and it appeared that the village was very eager to help celebrate Robbie Burn's 265th birthday. This was the first BI Burns Night event since pre-Covid days January 2020 and Winster was awash with tartan and "See you Jimmy" hats. The event was a sell out, queues were long (sorry! we have learned from that) the hall looked party-ready and seating arrangements in the BI were "cosy". Hoards of very kind volunteers had made the food and brought it along on the day; the Haggis had been shipped down from Scotland.

Following grace from a very finely turned out Findlay Macbean, a hearty meal was served; soup followed by Haggis, tatties and neaps.

The impressive Chieftan Haggis was piped in by our very own Winster bagpiper, Geoff McLester, followed by head chef Carl Ashin. David Mitchell addressed the Haggis with the traditional Robbie Burns poem celebrating all that is good about the Haggis; it was not long poem.

Sticky Toffee Pud or Cranachan for pudding. "But Sticky Toffee Pud isn't Scottish" they cried - try telling that to the Udnv Arms Hotel in

Aberdeenshire who claim to have served it there first! Food which was supposed to be hot was indeed served hot and the Cranachan was served reassuringly cold (yes, we will have more of these next year!).

Food was served by an enthusiastic crew of young waitresses and a waiter who worked tirelessly for the whole evening; the service may not have been perfect but it was an excellent experience for the youngsters and what they lacked in experience they made up for with commitment and enthusiasm. An equally committed and enthusiastic young team made relentless trips up and down stairs transporting dirty crockery for washing and clean crockery for refilling like a well oiled machine.

The meal was declared a success but all was not finished - there was still a whisky toast, coffee and homemade shortbread and then the entertainment!!!! A celebration of Robbie's life and works through verse, prose, music and comedy; there was even room for an "open mike" slot. The evening was rounded off by a lively rendition of "Donald Where's Your Troooosers" and everybody went home with bellies and hearts a little fuller.

The event was a fundraiser for Winster Twinning Association and just under £1500 was raised towards our next Twinning activity.

Our next fundraiser will see the return of the Oktoberfest on October 19th.

Next year's Burns Night will fall on Robbie's actual birthday Saturday January 25th 2025

Thank you to all who cooked, helped, donated, attended, entertained and organised - this was truly a team effort and you are all amazing people

Winster Primary School news

Promoting mental health and wellbeing

The week of 5th February was a national Children's mental health week and as this is a priority at our school, we took part in many activities to explore how we could keep our minds as healthy as our bodies.

One of the activities was a workshop led by Happy Mind (kindly paid for by our wonderful PTFA) where the children learnt how to give and receive peer massage. This session was wonderful and the children have fully embraced this and are keen to carry on this practice.

They also had a series of assemblies exploring mental health and creating wonderful mood jars along with practising yoga moves.

The week ended with an Express Yourself Day where the children came in clothes that represented them (or a hobby or interest) and we were full of cubs, explorers, princesses, sports people and some who were happy to just be 'themselves'. We also gave our donations to the wonderful Place2Be mental health charity. If you are interested in finding out more or would benefit from support in this area go to

www.place2be.org.uk/about-us/our-work/our-approach

Winster Primary PTFA news

Last Autumn we were extremely fortunate to secure a grant from the Duke of Devonshire's Charitable Fund to improve the schools outdoor area. It has funded the chalk boards mounted on the playground fences and large Calypso Chimes for the grassed area. The chimes will be installed after half term, hopefully it will have stopped raining by then!

If you're interested in joining a group of volunteers one weekend morning to help with the installation led by Mr Slack, please get in touch - winsterptfa@gmail.com. The date will be shared on village Facebook pages.

Winster Primary PTFA are having a short rest until spring, we have been very busy on the run up to Christmas. Our recent events include Bingo, an Autumn Fayre, the Auction of Promises and provision of refreshments at the Christmas play, the profits raised are used to enhance the educational experience of Winster school pupils. In recent months we have funded a Happy Mind and Massage programme, coach travel , music lessons, a Bluetooth speaker (its maiden voyage projected carol singing around the village), Christmas presents from Santa and new flip chart board.

We are always eager to welcome new members, especially those with or links to children in the school. You don't have to join the committee to contribute to meetings and help at events. Please like and follow our Facebook page to gain access to all the latest news.

Winster and Elton Luncheon Club

Thank you very much to the following for again supporting the Luncheon Club. The club would not be financially viable without grant aid and charitable donations.

- £300 - The Heathcote Charity
- £200 - Winster Village Quiz
- £1,000 - Foundation Derbyshire
- £500 - Anonymous donation
- Allan Stone's Boxing Day Quiz raised £60 which was matched by an equal donation from David and Marilyn Bentley making a total donation of £120. And thank you to Pam and her daughter Emma who did all the legwork while Allan conducted another excellent quiz.
- £150 - David and Marilyn Bentley who also support the Luncheon Club financially and practically throughout the year.
- £200 – Winster Guisers

The club would also like to thank the wonderful caterers who provide the lovely meals every week, and its many volunteers.

The members are very grateful for your very generous and thoughtful support.

Barre fitness is coming to Winster. Barre combines classical dance movements with elements of Pilates and Yoga. Classes help improve posture, stability, muscle definition and core strength and no prior dance experience is necessary.

I'm Sam. I trained as a professional ballet dancer, and had been teaching Barre at one of New Zealand's premier resorts prior to returning to the village.

"This is a fun, challenging workout designed to tone and lengthen muscles whilst also improving physical fitness. It's a great form of exercise and I am committed to the benefits it can offer".

I'm now offering one free 'taster' class at the Burton Institute on Wednesday 3rd April at 9.15 am and invite locals to come and give it a try. Thereafter classes are priced at £9 for an hour or a course of 10 for £80
