February 2013

Distributed free to homes in Winster
40p for non-residents

I have been at Winster Post Office 20 years on the 16th of February this year and through the magazine I would like to thank all customers and friends for making that time go very fast and very enjoyably. Carolyn.

Carolyn Ludlam first trained in Lichfield and then worked in Matlock and Bakewell before taking over from Paul Downing in what was Winster Post Office. She lived in Winster with her children Shelley and Richard. When the Post Office was being refurbished she met and married John and they now live in Clay Cross. The Post Office subsequently moved into Winster Shop and she is now part of the team. Can't believe how quickly the 20 years has gone by—Ed.

Barbara Atkin, Ann Elliott and Carolyn Ludlam have taken over the day to day running of the shop on a temporary basis so do please give them your support. They hope to introduce a number of new products and new offers and here is one to start the New Year.

Winsters Local History Group

Where Winsters Gets its Water: The Derwent Dams, by Blue Badge Guide Keith Blood. In 2008 we had a talk on "How Winsters Got its Water" (now available on the village website). Today our supply comes from the huge dams outside Sheffield, and Keith's talk is a fascinating account not only of designing and constructing the dams, mostly by pick and shovel, but also of many anecdotes and stories along the way, from what happened to the people who were displaced to life in the "tin town" that grew up to house the workers.

THIS YEAR'S WINSTER CALENDAR

The total profit from sales was £1,250. £750 of this has gone to the Village Shop, which has been the main outlet for sales, and £500 has been put aside towards the publication of a future calendar or other money-raising publications.

The Christmas cards made a profit of £70, also for the Shop. Thank you to everyone who supported the Shop by buying them.

Marg Lester and Esther Cook

Winster Village Choir.

In past years Winster Village Choir has raised funds for charities by carol singing around the village at Christmas. This year we decided to do something different by holding an indoor event with audience participation. Our aim was to give everyone the opportunity to enjoy themselves among friends and neighbours in a familiar setting by hosting an evening of Christmas Entertainment on Thursday 20th December in The BI which was free of charge and open to all. The choir baked mince pies and offered mulled wine in exchange for donations to 'Pathways of Chesterfield' who help and support homeless and rootless people. Extra funds were raised from a Raffle made possible by the generosity of choir members.

With David Fredrickson acting as MC, Tom Atkins, our Musical Director, led the choir and audience in singing. A wide range of talented Winster residents entertained us with carols, songs, music, readings and humorous verse and children from our village school made the evening extra special by singing us songs they had been learning for Christmas.

Thank you to everyone who made the evening possible. You got your hands dirty, heaved furniture around, made mince pies, served mulled wine, gave of your talents by performing, encouraged people to buy raffle tickets, washed up, laughed and applauded but most of all gave of your time and resources freely and gladly. Without your generosity we would not have been able to send £208.55 to Pathways to help them continue their work.

Winster Parish Council

This winter we are once again calling upon our local community to make a difference by joining our group of snow volunteers. The scheme has run for several winters and proved very effective in helping to keep footpaths clear during the bad weather. We are looking for more people to boost our team of volunteers. Each snow volunteer will be provided with the necessary equipment plus protective clothing and training.

To find out more please ring the clerk for more details.

Grit bins are provided across the village for use on a self help basis. Please report empty bins to the Clerk. Please note that rock salt is only provided for use on the public highway which includes pavements. It is not provided for the use on private property.

Please ensure when parking your vehicle this winter you leave adequate room to enable the snowplough to pass through the village without hindrance. This is particularly important on Main Street and West Bank.

A SUMMER VISIT TO ITALY 2013

There will be no Language Summer School in Winsters this Summer, but instead there is the opportunity for Winsters teenagers, 15 years and over, to have a holiday in Fermo, Italy, as guests of the Italian teenagers who came last Summer to the Language School.

Patrizia Serafini is organising this and suggests it should be 2 weeks in the School Summer Holidays. Fermo is a beautiful and historic small town, 10 minutes from the Adriatic Sea. There will be no cost for accommodation. If anyone is interested or would like more information please ring Paul 650817 or Marg 650090 as soon as possible, definitely by the end of January. It will be a fantastic experience, one not to be missed.
