Visit to St Helen's Church and Churchyard, Darley Dale, led by
former churchwarden Vic Raynes**

This fascinating place, right on our doorstep, was perhaps a religious site even before the coming of Christianity, because the famous yew growing by the church south porch is believed to be 2000 years old. St Helen's is packed with interest and quiriness, from the gravestones and coffin-covers outside to the stone monuments and alabaster slabs within. If you have not visited the church, this is an opportunity not to be missed.

The English Country Music Weekend Returns to Winster!

The English Country Music Weekend or ECMW as it is affectionately known (not to be confused with American 'country music' – VERY different and VERY English in character) is a top exponents and enthusiasts event that serves to celebrate the traditional country dance music of England. It meets annually and attracts regulars and newcomers from all over the UK, Europe and indeed, the world.

This year on the weekend of 28/29/30 of June (just before Carnival/Wakes Week) it returns to Winster after about a thirty year absence at the invitation and under the organisation of Winster Morris Dancers' musicians; Keith Kendrick and Sylvia Needham. This event will be based around the Miners Standard pub where lively music & song sessions, talks, demonstrations and open discussions will take place in a special marquee erected within the grounds of the pub, within the main building and also in other venues including the Burton Institute. ECMW always attracts a large attendance of spectators and participating musicians and singers of all ages and always creates a spectacular and exciting atmosphere wherever it visits and of course Winster Morris Dancers will be there.

More details of the line up next month but .Winster residents will only pay half price

We are looking for volunteers to offer accommodation for the Friday and/or Saturday nights – see Frank or Phyllis. Also, anyone wanting to know anything at all about the weekend, please contact Frank and Phyllis Mason tel 650241 or e-mail frankthewitch@yahoo.co.uk

During the spring term we are learning about Explorers, this is what we have found out so far!

Explorers travel around the world.

Explorers go to places to find out more about animals and plants.

They go to rain forests and the Arctic to look for things that no one else has found. Neil Armstrong was the first man to walk on the moon. He said 'one small step for man, one giant leap for mankind'. I know of explorers who climbed Mount Everest – their names were Hillary and Tenzing. Explorers climb mountains to see how cold it is! Today, one of our explorers is called Bear Grylls.

We have created our own Explorers Passports with our picture and details about what we look like and when our birthday is.

We have had lots of fun today. We all came to school in our pyjamas to help raise money for Comic Relief.

Your old is someone's new

As well as tables, chairs sofas and beds, Derbyshire's furniture projects are a great way to recycle unwanted electricals. They are in great need of good quality donations such as working fridges, microwaves, kettles, toasters and DVD players. Many will collect larger items for free. The projects breathe new life into old electricals and allow people on low incomes to buy affordable items for their homes. Their shops are also open to anyone wanting to pick up a bargain.

Ring Encore Re-use 01335 3009007 to find out more about what they can accept and collection arrangements.

My name is Rachel Wood, and on 27th April me and my mum, Alison Gray, will be taking part in the Marie Curie Cancer Care Swimathon. This will be the fourth sponsored swim we have done together, but neither of us has ever swum as far as our challenge this year – 2.5km! (100 lengths of the Arc pool – just over 1½ miles).

Quite a few of our family and friends have had cancer and we would like to do something to help. If you would like to support either of us, please contact us on 650264 or visit www.swimathon.org and click on ‘search for an individual’.

You will need to enter our initials and the location – Arc Leisure, Matlock. Thank you for your support!

We are running the White Peak Marathon on the 18th May to raise funds for the Juvenile Diabetes Research Foundation (JDRF). JDRF is the world's leading charitable funder of type 1 diabetes research and raise money to drive world class research. They aim to find new ways to treat type 1 diabetes and its complications, prevent type 1 from developing and find the cure for people who already have the condition. They also help educate those affected by the condition, healthcare professionals and the general public.

We would be very grateful if you would show your support by donating to this important charity. Each donation will help fund more research and will also give us the extra push to keep running to complete the marathon!

To give a donation please visit www.JustGiving.com and search Simon Percival or Iain Simpson in the 'sponsor a friend' section, or give directly to us. Many Thanks, Simon Percival and Iain Simpson (Winster Athletics).

A thought

'What is truth?' This was not just a question put forward by Pilate, but it's also a statement. 'What is truth!!' It's a statement in as much as it implies chaos. There cannot be truth or help or peace or hope!! That is what Pilate's three words proclaim. here we see Jesus and Pilate face to face and it's the same today. As members of the Christian Church we believe that the truth can be found in Jesus Christ and that the Church empowered by the Holy Spirit is on the way to understanding that truth. Now, by now you may be thinking 'what the hell is he on about!?' The truth proclaimed from the Cross is that God has a passionate love and care for each one of us. He cares about how we live our lives and how we look after our world and our society. Easter is about facing the pain of the Cross and being aware of God's love for all people. And more than just love God forgives people as soon as they turn to him. In concrete terms this means that everyone is welcome in the three churches of our United Benefice, no one is outside the love of God and so our doors are always open to service, support and try to be open to God's Truth. May we all people of Faith and people of no faith journey together for the betterment of our world.
Happy Eastertide
