## Welcome to the July Edition of the Winster Village Magazine

Winster Carnival is nearly on your doorstep! Have you considered being a helper during carnival week, especially if you have never taken part in it before? There is still a number of helpers needed for various tasks, which are usually fairly short time-wise and easy, and also give the opportunity to meet many people. Most essentially, your contribution will make the events simply go smoother and help making the carnival a success. Apart from Wakes Week, Winster is a busy village all around the year. Could you therefore please list your events in the Winster online diary as soon as they become available? This way, clashes with other events may be avoided, and more people can enjoy the events which are on offer.

Keep well, *Gabi*

Please send your contributions, including your updates on groups, important dates and other items you would like to be published to: [mag@winster.org](mailto:mag@winster.org)

### Readers' Letters & Noticeboard

Is there anyone in Winster who would accommodate a 17 year-old Italian girl for the Autumn Term? She will be attending Lady Manners and will pay for accommodation. For more info tel 650090, Marg Lester

A visitor has lost a Ford car key when walking in Elton on 11th June. The key was lost somewhere between the village green and Robin Hood Stride - via the Churchyard and Bonks (the old ski field at the back of Well Street) Have you found it or know somebody who has? If you have any details, please get in touch using [elton@live.co.uk](mailto:elton@live.co.uk).

**Sainsbury's Lego Cards.** Does anyone still need any Lego cards? Thanks to the generosity of friends and neighbours (in particular Liam Crowther) we have finished our collection and have many spares. Email [david.k.brown@hotmail.co.uk](mailto:david.k.brown@hotmail.co.uk) and let me know which numbers you need. If anyone has number 83 spare, please give to Charlie Ashin or his parents.

*This year money made will be sent to Water Aid Africa and Winsters Carnival, because without the Carnival day we would not be able to raise money for these projects. Beer and Pimms will be flowing and there will be plenty of food from the barbeque and cakes at the Carnival Café. In the evening there is the Carnival Ceilidh in the Burton Institute and naturally Carnival Night on the playing fields. Don't forget to dust off your hangovers by helping clear up on **Sunday** morning, meeting outside the Market House at 10am. It really does promise to be a fun week and thanks must go to the Carnival Committee and other volunteers for putting on such a packed and varied selection of events.

My name is Rachel Wood and I am in Year 11 at Highfields School. I am very excited to have been given a place at the United World College in Mostar, Bosnia and Herzegovina for my sixth form studies. The College uses education as a way to create a peaceful and sustainable future. As well as studying for the International Baccalaureate, students are actively engaged in community work, for example with the elderly, in orphanages, a nearby refugee camp, a home for Roma children, and in elementary schools. I am trying to help my parents find the money for my school fees and travel costs, so I am holding a fundraising concert.

The concert will be held in St John the Baptist Church, Winster, at 7pm on 7th July, featuring live music from a variety of young musicians from the local area, most of whom I have met through playing in music groups. There will be delicious interval refreshments and a raffle. I am very grateful to Winster Entertainments group for their support. Tickets £5 are available on the door, on my fundraising carnival stall, from Winster Post Office, or Alison Gray, John Wood and me (01629 650264) [alison@peakdesign.co.uk](mailto:alison@peakdesign.co.uk).

## Winster Monterubbiano Twinning Visit

On Tuesday 30 May a group of 22 adults and 19 young people set off from Winster to Liverpool Airport on a twinning visit to Monterubbiano. For this visit the focus was on the children, as it had been when the Italians came here for Wakes 2015.

A flight to Rome and a four-hour coach journey brought us in the early hours of Wednesday to the homes, flats and houses provided by our generous hosts. There was to be no concession for tiredness. At 10 am the Mayor was waiting to welcome us in the town hall, followed by the usual exchange of gifts - on our side presented, with a confident speech, by Jadzia Ashin, our Carnival Queen. A guided tour and a museum visit were rounded off with a meal in the park and a chance to meet old friends.

On Thursday the adults went to Fermo, the provincial capital, while the children went to school. Because of earthquake precautions, the primary school had been closed and all ages were housed in the more modern secondary school, where the Winster kids got a taste of the Italian education system. Built-in relaxing time saw many of us meeting up in the café in the main square, followed by another *al fresco* meal and (for those that wanted it) a spot of karaoke.

Much of Friday was spent at the beach (15 miles away), including a meal for 80 visitors and hosts, and afterwards plenty of socialising back in Monterubbiano.

On Saturday and Sunday we were into the feast of Pentecost, Monterubbiano's main festival. There were more communal meals as well as performances by the flag-wavers and drummers, and processions featuring townspeople in elaborate medieval costumes. Several Winster people took up the invitation to dress up and take part. Perhaps the most unusual event for the English was the 'running at the ring', a time-trial in which four professional horsemen gallop a circuit and gather suspended rings on their lances.

Finally, early on Monday, everyone went by coach to Rome, where some visited the Coliseum and others did a walking trip of the main monuments and buildings. We arrived in Winster about 3am on Tuesday and tried to creep back home without waking our neighbours.

We all agreed that this was a marvellous visit - a great learning experience as well as a chance to relax. Despite the hardships in present-day Italy, our hosts could not have been more generous. Already the children are messaging and emailing each other.

This was the thirtieth year of twinning, and without doubt we have built up a very special bond with Monterubbiano.

Whatever happens with Brexit, we plan to keep our twinning strong and to back it up with private visits by friends and families.

All those who took part are grateful for

the support of Winster Secret Gardens, Winster Carnival and the Village Quiz.

Special

thanks must go to Marg Lester, who almost single-handedly organised things on

the Winster side and did much of the additional fundraising.

### Winster Village Shop — Loan Note Programme – Update (June 2017)

I am delighted to advise that sufficient loans have been received to allow Winster Village Shop Association (WVSA) to meet the revised payment offer from the venture capital organization (SIB). This means that the business will save over £13,000 in capital repayments and interest over the original period of the loan. Approximately 30 new loan notes have been issued. The WVSA Board of Directors would very much like to thank those who have provided these new funds. Loan note certificates have been issued to all the lenders.

Our secondary objective from this programme was to raise £10,000 for the internal refurbishment of the business. A positive start has been achieved, and approximately 40% of the target has been achieved. We still require a further £6000.00. The Board remains hopeful that additional loans will still be provided.

A total of 500 loan note letters were delivered to every household in Winster, Elton and Birchover, and by email to a number of owners of holiday home properties. Thank you to Carolyn Wilson, and to Andrew and Sharon Talbot for delivering these letters. The Board would also like to thank and recognise the input and organisation from Helen Witty for printing all the letters in the first place and then putting them in envelopes.

Loan note forms are still available from Winster Village Shop or by downloading from the link below:

<http://winster.org/pages/wwimages/Winster%20Village%20Shop%20letter%20and%20form%20for%20loan%20note%20May%202017.pdf>

*It is equally important that villagers shop at our community owned facility whenever possible to help ensure its long-term success.*

Thank you for your ongoing commitment.

## Michael Greateorex installed as Chairman of Staffordshire County Council

On Sunday June 11th 2017, Staffordshire County Council Chairman's Civic Sunday was celebrated in Stafford with a service in The Collegiate Church of Saint Mary followed by a reception in the County Council Chambers. The hosts for these celebrations were the newly elected Chairman, Michael Greateorex, and his Lady Consort, Moira. All local dignitaries were present including the Mayor and party, Deputy Lord Lieutenant, and mayors and chairpersons

of the Staffordshire boroughs. Some family members and friends were also present at this grand occasion.

Michael was born on The Flat, Winster, the youngest child of 5 children. The family then lived on Leacroft from 1949-1965. The Greateorex family lived in Winster since mid.19th century and Joan Barnsley, the eldest of the children, is the sole remaining Winster resident. Michael was educated at Winster CofE School, then Darley Dale Secondary Modern and Warwick University. He worked in local government as administrator/lawyer for many years around the country followed by appointments with legal companies specialising in personal injury factory claims, landlord and tenant and civil litigation. He has lived in Staffordshire for 32 years and entered local politics in 2010 when elected to Tamworth, Staffs, Borough Council, and was subsequently elected to Staffordshire County Council in 2013.

Michael created Winster, Derbyshire Flickr site photo history in 2008 which has attracted interest from Winster lovers around the world. He has also published a book of Winster postcards in 2011 and was invited to talk to Winster school pupils about this book. He also supported the pupils with their research for the recent exhibition celebrating the 150th anniversary of the school which was held in the Burton Institute. Michaels hobbies are Winster Local History, Family History, old buildings and heritage. He still considers Winster as "home". and returns to it as often as possible.

### It's Us!

On the cover of the last Village Magazine it was surprising to read about the name of the invited team Pecsætan Morris that 'nobody knows what it means'. The Pecsætan were an Anglo-Saxon tribe, from *pec*, 'peak' + *sitta*, 'one who sits or resides' + *-an*. the plural ending that survives in 'oxen' and 'children'. So it means 'Peak-dwellers', and I suppose the present-day Peak-dwellers are ... well ... us!

### ***An Italian Experience!***

During the half term break, as many children were relaxing, 5 children from Winster School had the very privileged opportunity to visit our twinned town of Monterubbiano.

The trip to Italy was really fun; as many of our friends travelled with us. I found the colosseum really interesting because it was really old and all the bricks were hand made. We made some new friends called Gorge, Ennio, Flavio, Guilia, Marie-Christina and Alice. Some of the Italians cried when we left. I was amazed at how stunning the views were. Also the weather was amazing, it was over 20 degrees every day!

Reflections on Italy from Angus, Eve and Sam (Y6)

***May we also thank the local shop for their kind donation of Sainsbury's vouchers, which we will use to claim free sports equipment.***

### **Winster School and Monyash School Federation Proposal**

For the past 2 years Winster and Monyash Primary schools have been in a collaboration, sharing an executive head teacher. This arrangement has been working effectively and the governing bodies of both schools now wish to make this permanent by forming a formal partnership known as a Federation. We wish to consult widely with all interested parties before a final decision is made. The Federation Proposal has been published and is available to view on the school website at <http://www.winster.derbyshire.sch.uk/>. The closing date for written responses to the proposal is 18th July 2017. Please address these to the Chair of Governors and send them to the school office. You are also welcome to contact either of the current co-chairs, or indeed any of the current governors with comments or questions.

## St. John The Baptist Church Winster

### APCM April 2017 - Treasurers Report

2016 was another year when we failed to have sufficient income to meet our expenditure needs without breaking into our capital funds. As can be seen from the figures we did not receive sufficient income to meet the Common fund requirement of £6136. We are a wealthy Church but our revenue income is small. The majority of our capital is tied to the fabric of the building and is therefore not accessible for day to day expenditure. As time goes on we will increasingly be dependent on the limited capital that we can access, which will not last forever and at the present stands at just over £6000. At the current rate of income and the use of capital funds the church will not be able to meet its Common Fund (Parish Share) payments in the year 2020. What will then become of St. John the Baptist Church in Winster? Ian Sutton, Hon Treasurer.

**Excerpt from the Winster Village Magazine AGM 2017 regarding the Treasure's report:**

Profit has dropped from £976 (2016) to £271 (2017). Main reasons being: Increased numbers of pages per copy, plus colour copy costs; and some uncertainty over cut-off of print costs over the year end. Although advertising income remains broadly similar, the effect of additional /

colour prints has increased costs by £300-£400pa, something the committee were comfortable with based on the quality / content of the mag (plus banked funds providing ample safety net). To partially bridge this shortfall, a suggestion was made to increase the premium for colour adverts by 25%.

**...Please find the whole AGM report on the Winster website plus other general information about the magazine (re-vamping in progress).**

We are looking for 1-2 people who could start the copier and check on the progress about 2 times until the job is done. If you live close to the Burton Institute that would be an advantage. Could that be you? Training given plus personal support. With your help we can continue to publish the magazine for the community in future. Contact Gabi [mag@winster.org](mailto:mag@winster.org)

## Pond Life.

Photos by John Fuller-Sessions

The recent rain hasn't stopped the Pre-School children, thanks to Winsters Wakes and their kind donation. The Pre-school was able to purchase some well needed all-in-one raincoats for the children to enjoy outside play even in the wettest weather.

Don't forget our Open Day on Wednesday 5th July 2017. (see page 12)
