

*Winster Emergency Telephone Tree
Dial just one number*

*01629 698699
Fifteen Volunteers*

More information is given on the inside page

What's an emergency? Perhaps..

- You've fallen and need help getting up
- you need the defibrillator bringing,
- you have called the ambulance but need someone to guide the ambulance

What is the Telephone Tree

This FREE service means you can ring 01629 698699 in an emergency and this will simultaneously call up to 15 households in Winster.

Please give the person who answers

- Your name
- Your phone number
- Address
- Any key code and its location.

If you need extra help or the defib the first person to answer the call will come to you and call for help by ringing the telephone tree again.

What to do now

Please add the Telephone Tree into your contacts on your phone and speed dialling (we can help with this)

Please tell your family or friends whom you might call in an emergency about this service so they can call us if you can't.

Please have a card showing whom we should call in an emergency (next-of-kin etc.) and any medication you are taking near your main telephone.

We can give anyone a laminated card showing

- Telephone tree number
- Your key code
- Your exact location using what3words (we can find this for you)

Volunteers

These are people who live in the village, and we are always looking for more volunteers.

Any queries or offers of help please let me know:

a.j.rawlence@btinternet.com

01629 650480 or 07860 140435

In This Issue

YOUR SHOP NEEDS YOU!

As we know the Winsters Village Shop is a tremendous asset to the village, providing not only us locals, but holiday-makers and residents from our surrounding villages with a marvellous supply of almost everything we could need. It's a great meeting place too, and part of the shop's attraction is the window, where people stand and browse the fabulous and interesting displays before they even go through the door.

These displays reflect not just the stock available inside, but the passing of the seasons, the goings-on in the village, social events and the various groups we have.

We have a small team of window fairies but they cannot possibly fill every monthly, sometimes fortnightly display change. We really need more people to help us out. Just one display would be amazing. Have a think about what could be showcased in there. It could be your social group... your weekly club... your take on a seasonal change.

Quite honestly anything is considered fair game if it's going to be of interest. The fairies would be immensely grateful for any input. There is a small stock of resources and maybe help with design if needed. Please message me.

Community Messages

The Wyns Tor Singers would like to thank the Secret Gardens Committee for their very generous grant of £150.00. We will use this to help with the costs of paying for soloists and accompanists, and buying new music scores.

We have some CO2 monitors free to good homes. Anyone wishing to have one please contact Sandra on 650222 or pop into the hairdressers.

These have been donated by Royal voluntary service (RVS)

Winster Guisers

Winster Guisers would like to thank their friends, old and new, who supported them over the recent Xmas performances.

£1100 was raised by your generous contributions for Charity, local and national.

The money has been donated to the following:-

- Winster & Elton Luncheon Club
- Winster Darby & Joan Club
- Winster School PTFA
- RNLI
- Air Ambulance
- Samaritans
- Mountain Rescue
- Kenya Rams

We hope to see you all again next Christmas season

Winster Relief in Need Charity

Appointment of Clerk

Trustees are looking to appoint a part time Clerk to administer the work of the Charity.

Remuneration will be in the region of £200p.a.

Grazing Licences 2026

Trustees invite offers for the following grazing licences:

- Griss Hill, Islington Lane, containing 1.78 acres or thereabouts.

- Knotts Greaves, Birchover Lane, containing 3.6 acres or thereabouts.

Both licences commence 25th May 2026 ending 31st October 2026. Only accredited cattle or sheep are permitted to graze the land and horses, ponies, bulls rams, stallions and other entire male stock are specifically excluded.

Further details regarding the appointment of Clerk and grazing licences can be obtained from rob.gtx68@outlook.com

Rob Greatorex

Winster Relief in Need Charity

Winster Public Toilets

Over the last 15 years Derbyshire Dales District Council has been closing public toilets as part of a cost-saving measure. In 2018 for instance, they operated 26 facilities at a cost of £467,000 and proposed to close 10 with the aim of saving £213,000. I'm sure we have all noticed the difficulty in finding public loos and what a great service this can provide when they are available.

Winster has been blessed to maintain its facility under the stewardship of the Parish Council. However, every now and then, it does us good as a village to take stock and ensure we are best representing the views of the residents in its upkeep and maintenance.

Below is a summary of the incomes and expenses relating to the Public Toilets for 2025

EXPENSES		
Cleaning & Materials	£1,342.00	
Electricity & Water Supply	£1,344.00	
PHS Sanitary Collection	£137.00	
Total Outgoings	£2,823.00	
INCOME		
Honesty box and reclaimed VAT	£435.00	
NET COST	£2,388.00	
VILLAGE PRECEPT	£21,218.00	11%

Therefore 11.3% of the village precept is being spent on maintaining: 1 gents cubicle and urinal, 2 ladies' cubicles and 1 disabled toilet. We have looked to try and bring costs down, but for instance the electricity and water are made predominately from standing charges so we have been unable to secure a better value supplier.

The state of the loos is also falling into disrepair as money has not been spent on maintenance. Recent quotes, for providing 2 new doors, some roof repairs and repainting, shows that more than £5000 would be needed to make them good. So probably in reality we should set aside about £500 per year to keep them in good repair.

So maybe we can consider a proposal that balances the desire to keep a public facility in Winster, with the costs to local residents.

THE PROPOSAL

Go ahead with a new door for the disabled single toilet, removing the radar lock and making it available to the general public, but keeping all disabled access requirements.

Clean and paint this loo as well as repair the roof/gable end of the whole building. Perhaps the painting could be done by volunteers.

Look for ways to remove electricity costs. Eg Paper Towels, Towel, Solar Panel.

Looks for alternatives for cleaning as 1 loo will be a lot less burden. Possibly village volunteers or bring it in-house to council employee.

Put sign on the other 2 areas of the toilets to say they are closed and in the autumn re-assess whether the village wants to continue with the closure of the sperate ladies and gents or not. If the decision was for them to remain closed then there could be a discussion on future usage and what might be permitted and whether a change of use must be sort.

This is an agenda item for the meeting scheduled for 18th March

"Turning Only Markings"

The Parish Council recently sought quotes for the repainting of the "Turning Only" markings down Woodhouse Lane next to the playground. The three quotes came in around the £1000+ mark. This is obviously a lot of money for a PC with a small precept. We are asking if anyone local has some knowledge, expertise or ideas on providing these markings in a suitable and durable manner. If anyone could help, please email the clerk at clerk@winsterparishcouncil.gov.uk

Thanks

Winster Parish Council

Winster Common Village Consultation Report

We received 51 responses – thank you very much. This amounts to an 11% return - about average for such public consultation and planning exercises.

There is widespread support for the policy of developing a wildflower meadow in the main area of the Common. Improving floral diversity is important to many residents. This will entail a cut and collect operation after the seeds have dispersed in late July or early August.

Some thought the Common looks a little unkempt in high summer. So, like the Pond and Orchard, we would ask our contractor to cut paths to support and enable access. We would also maintain road and path edges as we have always done to protect access for residents who live next to the Common and maintain road safety.

It was suggested that volunteers might help with the removal of docks and similar tasks as WPC

has done in recent years. We will encourage any groups of interested volunteers to take on such work.

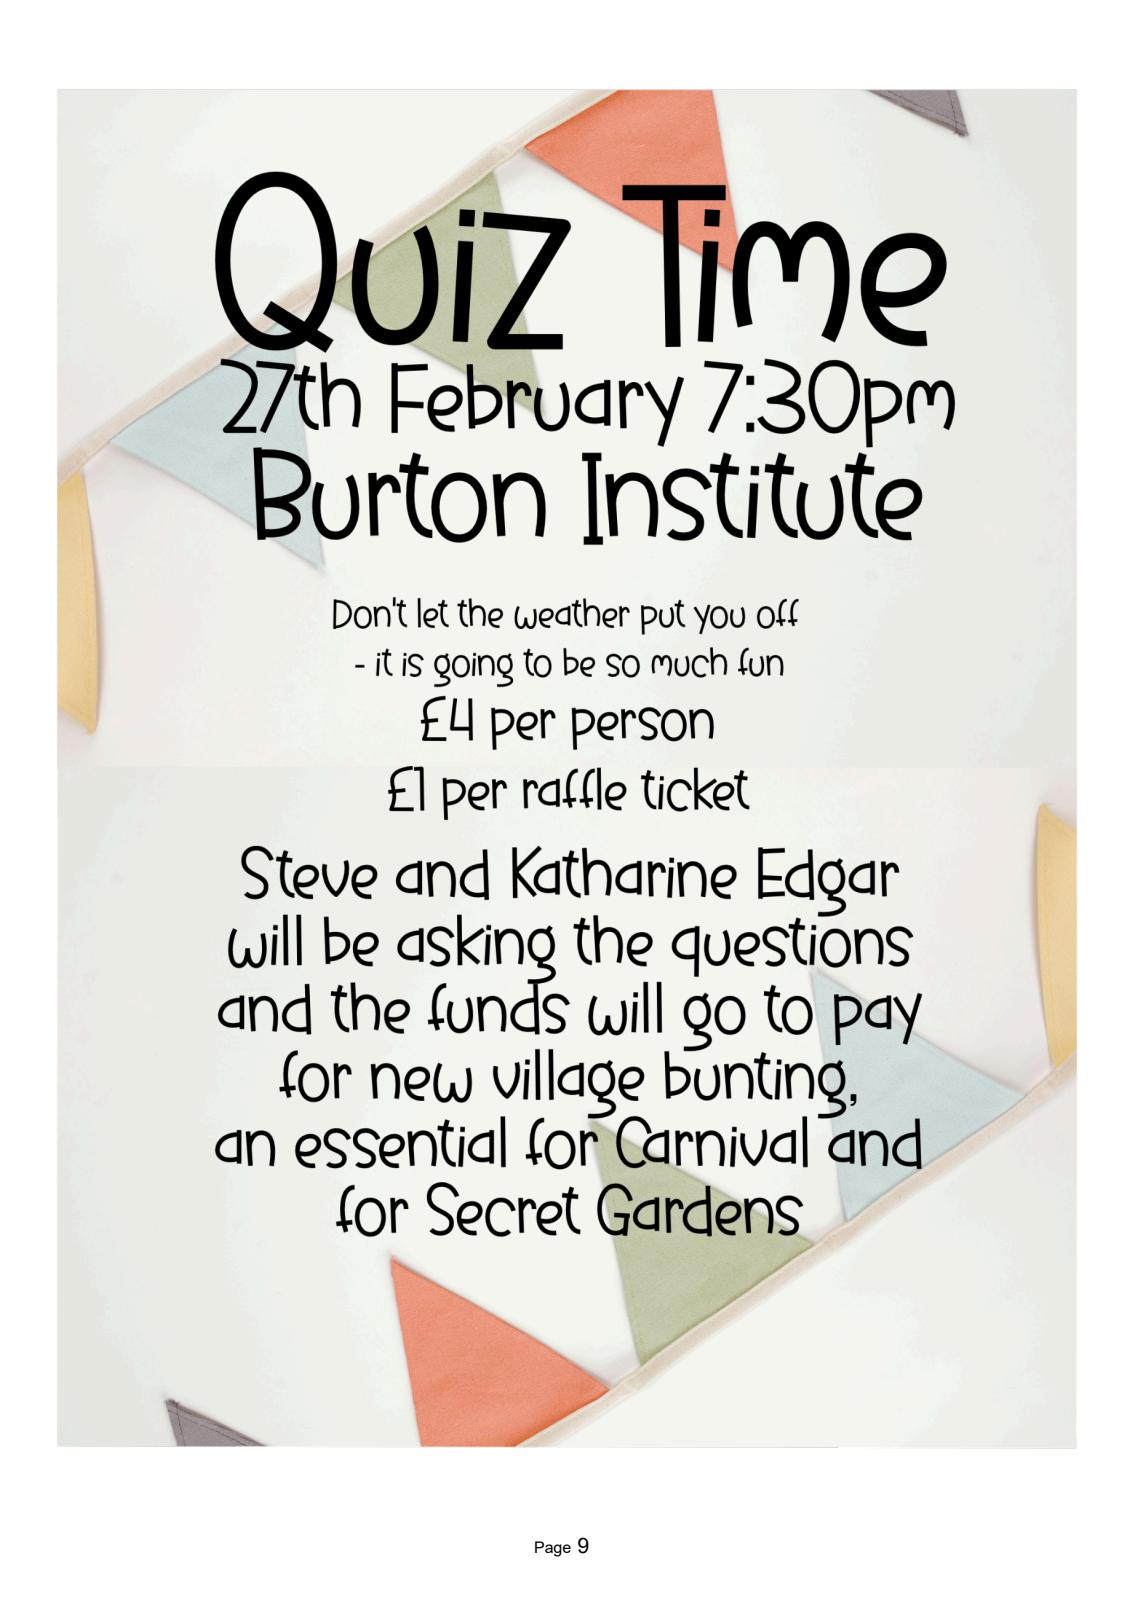

Generally people thought Bank Top Triangle should be mowed regularly and missing bollards replaced. It is a 'gateway' to the village and traffic safety must be prioritised. A central feature (e.g. a tree) was suggested for the middle of the Triangle to give focus. The WPC would look at this suggestion positively.

People felt the Griffin should be seen as a recreational facility, enabling use for exercise, picnics, etc. So it would be regularly cut and more seating provided. Responses were split on the need for the play equipment (swings). The matter will be considered further.

Ladydale will be included in the proposed tree survey and Mosey Mere considered later. Generally, car parking at the top of East Bank and the 'Burma Road' is seen as essential to the village, but we should protect the Common by repairing potholes and muddy areas.

Winster Parish Council is calling a **village public meeting on March 18th** at the Burton Institute (at 7pm). We hope everyone will want to attend to discuss these proposals and agree the future management of the Common. Also, on the agenda will be Cllr Moira Randles' proposal for the refurbishment of the public toilets.

David Frederickson
Chair, WPC

Are you overpaying for your mobile?

Mobile data costs are steadily falling, so it is very easy to be paying over the odds if you haven't checked options recently.

The merger of Three and Vodafone last year means that their combined network now offers improved mobile coverage for Winster - their Coverage Checker claims to offer usable outdoor and indoor 4G for nearly everywhere in the village (although, like other networks they don't allow for thick stone walls!). So there is more choice when you want to shop around for a new deal.

The best-value deals are often from the SIM-only "virtual" mobile networks (search on "MVNO"), which piggy-back on EE/O2/Three/Vodafone. Most - but not all - offer Wifi calling, which is near-essential if you have thick walls.

Smarty (who do offer Wifi Calling, and use Three/Vodafone) are a particularly good option if your data usage peaks for short periods: you can opt for a modest monthly package (eg 24Gb for £7 per month) as a default, and buy extra data if you occasionally run out. Smarty charge £1 per Gb for extra data beyond your contract - some other networks charge up to £12 per Gb.

John Geddes

HELP US TO IMPROVE THE BURTON INSTITUTE

The existing Burton Institute Management Committee has been managing to keep the hall ticking over, but two key people have recently resigned due to other pressures.

So now we urgently need new people to join us - people who can offer time and energy to plan and deliver improvements.

We know that the building needs redecorating. We want to improve the Main Hall by adding softer lighting and improving the heating controls for better comfort. And we want to install a dishwasher.

We need new people to help make these things happen - and to come up with other upgrades to help make the building thrive.

Our AGM is on **Wednesday 8th April, at 7.30pm** in the Jubilee Room, when we hope to appoint a new Chair and Secretary, and ideally a few extra committee members too.

If you would like more information, please contact John Geddes: john@winster.org or 650364.

Or just come along to the AGM and volunteer!

WINSTER WAKES 2026 – VOLUNTEERS NEEDED!

Sunday 28th June – Saturday 4th July

Your help last year was invaluable – we'd love to have you join us again! Volunteer for just 30 minutes to 1 hour and still enjoy the festivities.

Before the Event: Putting up flags; Selling tickets for the Ball Run

Sunday: Traffic control during Queen Crowning

Monday: Marshals for the East Beast; Help with the BBQ

Thursday: Marshals for the Hill Run; County Show support

Friday: Barn Dance – Ticket sales; Bar support

Saturday: Set up tables and chairs; Packing away; Street marshals; Street stalls (30-minute slots); Evening ticket sales and bar

Winster Country Show 2026

HELLO!

To use a popular cliché, "Where on Earth has the time gone?"

It's now officially Spring and thank goodness! Winter has lasted at least a year with all its rain and gloomy grey skies, so let's look forward to all things Summer-y. With that, and a small fanfare, I declare that it's now time to start thinking about your entries to the **WINSTER COUNTRY SHOW 2026**.

This year, Wakes falls between 27th June and 4th July. The WCS is traditionally on the Thursday of Wakes Week, making it the **2nd of July** this year.

The WCS group members have already had their first meeting of the

year, and we're excited to say there will be several changes to the categories, removing the less popular ones and developing those which had the most interest. Whatever we do, there will be **CAKE!** You now have plenty of time to practise those new recipes or maybe even learn how to spin sugar. Why not plan to meet an old friend for tea in the marquee?

Details will be in the next Village Mag and on all the Facebook pages which apply. You can contact me via those or on **07836512149**.

Happy days are here again!

Best Wishes

Ali and the team.

Wakes Week Art Show – Get Creative!

The Wakes Week Art Show will be happening again this year, and we'd love to see your work on display. Whether you enjoy painting, drawing, or using other media, we want to encourage you to start creating now!

All ages and abilities are welcome — it's a wonderful chance to share your creativity with the village.

More details to follow!
Time to get creative!

Woodcut Wren

Phyllis, Mary and Helen would like to thank everyone who sent kind messages about Frank.

Also, thank you to everyone who came to the church; to the speakers. the celebrant, the singers and musicians, and to the Guard of Honour from the Morris; for help with the sound system.

Grateful thanks to everyone who helped in the Burton Institute, with setting up, the drinks, the food, the washing up and the clearing away.

We have been deeply moved by the obvious show of regard and affection for Frank.

Our collections, in church and online, for Mountain Rescue have so far raised over £800. So, once again, thank you.

Winster Local History Group Next Meeting Monday 23 March at 7.30 in the Burton Institute

Winster: The Houses We Live In

We are beginning a survey of the buildings of Winster and what we know about them – who lived there, what businesses were carried out, historic associations, village characters and so on. We'll start by looking at the buildings on the National Heritage List for England (grades II and II*), and Jo Banks will introduce her comprehensive list/database, which has been several years in the making. Jo's list is based on multiple sources, including census returns since 1841 and house deeds, and she's keen to know of any deeds she's not yet seen.

This will be the first of a number of meetings on Winster's buildings, and not only the old ones. Some are even now in ruins. There will be a chance for everyone to contribute, so please come along to this and subsequent meetings.

Everyone welcome.

Rams in Kenya 2026

Hello, I'm Thomas Purslow. My grandparents, Sandra and Fred, have lived in Winster their whole lives and my dad, Lee, grew up in Winster.

tpurslow@gmx.com

I am volunteering in Nakuru, Kenya this May for two weeks with the Derby County Community Trust, helping in schools with teaching and building facilities etc. As volunteers we need to fundraise towards the trip, and **I would be very grateful for any donations.**

**Any Donations
appreciated –
thank you!**

I will be working as part of a team to take on a number of roles, including building facilities, helping with teaching and assisting with sports sessions. The building activities include improving the infrastructure of local schools (in previous years they have built various facilities such as toilets, gardens and tables for the canteen). The teaching roles include supporting teachers in providing good quality education to children and overall help to enrich their school experience. We will also be supporting the teachers in sports coaching.

For all those in Winster who have already donated, including the Winster Guisers, I am really grateful and want to say a big thank you.

**If you are a business and
would like to sponsor a shirt,
please get in touch**

WINSTER WAKES AND COMMUNITY ARCHIVE PUBLIC DAY

On March 5th from 10.0 – 3.0 in the Jubilee Room we will be pleased to see anyone who has photos or memories of past Carnivals and Wakes Week events. Also, anyone who would like to talk to us about the project and other events in this village that might be included in it, now that the funding allows for that.

Winster Wakes and Community Archive

Many people will remember that the village received quite a large grant from the Lottery Fund a couple of years ago to collect, record and transfer to the Derbyshire Record Office documents, photographs etc of the history of the Winster Wakes and Carnival, including Winster Morris Dancers. Our current group of volunteers has made significant progress with this, although more helpers are always very welcome.

Now we have reached the stage where, in agreement with the Lottery, we feel we could and should extend the project to include other community activities. So far, we have received a few suggestions, for example: The Tug of War Group and the Guisers, both of which we know have long histories, but we are open to any suggestions.

What we are looking for are groups that will have records of their activities and people who are keen to work with us to identify and collect the relevant items and prepare and record them for transfer to the Record Office's archives. No special knowledge or experience is required.

Winster is a very special community where there have been in the past, and still are, a variety of activities which bring people together to create and celebrate specific events, interests or aspects of village life. We are keen to ensure that current and future generations can find out about this rich history.

If you have any thoughts at all about this, please email or talk to me or any of the people below:

We will be looking at what the bible says about Easter. Everyone is welcome to come and join in.

This will be at St. John's church, 7:30pm on Tues evenings, starting on 3rd March, for 5 weeks **BUT not on the 10th.**

VICAR'S MARCH MESSAGE

It's a sad truth that countless people experience their existence as dull, boring, stagnant, and routine. They lack vitality, a deep desire to be alive. For them, every day is just another day, often filled with many things to do, but seldom offering human satisfaction. Before you think I'm being very negative look up how many people today need antidepressants. Today there's a lot of issues due to people feeling that they are living in a pressure cooker. And, they are also seeking meaning. Someone said; *"When you stop believing in God then you start believing in anything"*. This is the experience of living without bearing fruit. People who were/are not able to feel good about themselves because they are so busy. But fortunately, some men and women have a deep sense of their value - precisely because they are in touch with the life-giving quality of their existence. We go back to the first book of the Bible and hear once more about what God said about Humanity. *'God saw this and he saw it was very good.'* *"People's joy brings forth joy, and their peace brings forth peace. They make us aware of the holy contagiousness of all that lives."* The second quotation was written by a person who in ministry spent much of their lives in care for people who have special needs. Working with the people who are most vulnerable brought out a sense of the importance for caring for each other. Can't we all learn from

this? The need to make contact with other people is a life giving way. To be Christian, to believe in God, calls us to open to other people. This makes us more human.

I'd like to finish by sharing something from an assembly a few week ago. Three of the children from Churchtown Primary School gave me permission to share the following: I asked them what things make a positive community? The children said the following three things are very important. *"Being kind, being generous and helping each other."* I always find the children's answers in many of our schools give amazing life giving answers. Sometimes, one can be arrogant in ministry and think service and teaching is a one way street. But our young people and at the other end of ministry the elderly can teach so much. I do believe if we are open to learning on three levels we will live more meaningful lives. For me the three levels of learning are: Spiritual, Emotional add sometimes physical. Jesus showed true wisdom when he said, *"Be child like."*

So let us always be open to learn and so improve our lives and our communities.

God bless.

Stephen Monk (Revd)
