Winster Parish Council Announcements

Traffic Data Monitoring Data

Overview

Following various concerns raised by residents of Winster Parish regarding speeding and other traffic issues, the Parish Council consulted with Derbyshire County Council Highways to establish if it was possible to monitor speed traffic and the costs in order to establish evidence to support speeding concerns. Following discussions with Highways it was agreed at the 5th June 2023, item 06/08/25 Council Matters B, Parish Council meeting to cover the costs and placement of the monitoring equipment.

Objectives / Purpose

The purpose of the data collection was to establish if there was/is an issue throughout various locations within the village of speeding. Any data collected could then be used as evident to support road traffic initiatives.

Methodology

Monitoring units were placed at a number of locations within the village:

- Wensley Road, over a 6-day period Tuesday 28th October 2025 – Sunday 2nd November 2025 (East & Westbound)
- Main Street, over a 7-day period Saturday 1st November 2025 – Friday 7th November 2025 (East & Westbound)
- East Bank, over a 7-day period Thursday 16th October 2025 – Wednesday 22nd October 2025 (North & Southbound)
- West Bank, over a 5-day period Wednesday 29th October 2025 – Sunday 2nd November 2025 (North & Southbound)

The monitors used recorded both volume and speed of traffic, it did not capture number plates or any other material that would impact on GDPR.

The monitors measure traffic on different dates and times reporting average traffic speeds and volumes throughout, the specified dates above, over a 24-hour period.

To note: As monitoring dates/time vary it is not possible to compare volumes of traffic captured on one road to that on another.

Findings / Analysis

Following the initial review of the data that was taken over three-week days and weekends the following was highlighted.

Wensley Road, 43% of all vehicles travelled in excess of 30mph, with 13% over 35mph and 3% over 40mph.

Main Street, showed that 0.69% of vehicles travelled at 30mph with 54% of vehicles travelling at less than 20mph, presumably due to the parked cars.

East Bank flagged nothing of concern, this is probably due to cars slowing and setting off on journeys, however there was one vehicle per day speeding.

West Bank showed the most significant speeding, 88% of all vehicles over 30mph, of which 70% over 35mph, 41% over 40mph, 17% over 45mph and 5% greater than 50mph.

The data provides evidence that there is an issue with speeding on Wensley Road and West Bank and therefore supports action required to improve the current situation. The Parish Council have also been working with Highways to address this matter. Whilst the Parish Council would like to move the village or areas of the village to a 20mph zone this would be a difficult battle. Therefore, the following is being considered or actioned.

- A request was made to change the National Speed limit on the entry into the village on East Bank, aiming to reduce the speed limit and therefore reduce the impact on West Bank. Highways have put forward the Parish Council's request to the Traffic Regulation Order (TRO) panel to look at removing the National Speed Limit section on East Bank, at the triangle section of carriageway, and extending the 30mph section. Additionally, as the weight limit restriction appeared confusing, it has also been requested the TRO panel review the possibility of providing a consistent 3.5t weight restriction with signage provided to guide HGVs to use the higher-class roads and avoid travelling on East Bank.

- Concerns were raised regarding speed on entering the village via Wensley Road and the school. At the western approach to Winster Highways are proposing that the existing vegetation within the nearside verge should be cut back to ensure adequate visibility is attained to both 30mph Terminal signs. Additionally, it is proposed that the road markings be refreshed on approach to the school including the existing 'School Keep Clear' markings with Dragons Teeth markings to be installed to highlight the gateway. Also, it is proposed that the existing parking sign and post are relocated to the opposing verge to increase conspicuity.
- Additionally, the Parish Council will consider the use of Village gateways at entrances to the village and Speed Indicator Devices (SIDs).

Allotments

Would you like to produce organic healthy fruit and vegetables at a relatively low cost; why not consider an allotment? Winster Parish Council have a few allotments available.

Secret Gardens 2026 – Saturday 18th & Sunday 19th July

We Need Helpers (as well as gardens)

After last year's memorable downpours, we are keeping everything crossed for a sun-drenched **Secret Gardens of Winster** weekend this year!

Volunteer with Secret Gardens

We need lots of help to prepare for the Secret Gardens event, as well as over the weekend itself. There are many different tasks to be covered and it's a great way to meet people in the village.

If you can help over the weekend itself, we need gazebo and equipment set up teams, ticket sellers, car park and traffic marshals, help with putting out signage around the village, cake makers, and refreshment servers and washer uppers.

If you are not around for the weekend itself, you can still get involved. Some tasks can be done at your own pace, in the weeks before the Secret Gardens weekend, or immediately following the weekend. These include delivering promotional material to local venues, putting up road signage – or after the weekend, taking signage down, and helping to put equipment away.

To find out more about how you can help, please get in touch with Pam Hatfield. We really appreciate knowing that we have your support well in advance – it helps us to better plan our resources and sort the volunteer rosters. Do please contact Pam as soon as possible at **pamhatfieldis@btinternet.com** - she would love to hear from you.

Previous Gardens Openers

As usual we need our loyal gardeners to open their much-loved, unique gardens. We will shortly be writing to you to check whether you will be opening again this year, hoping very much hope that you will feel able to, as we clearly wouldn't have an event without you!

New Gardens

We would also welcome some new or returning gardens. So if you have had a break from opening your garden, or are wondering about opening your garden for the first time, do please get in touch with me. Please email me at **gill@winster.org** or call 650364

We are not looking for additional attractions; we already have a great range of crafts and music on offer - so the garden itself needs to be the main attraction.

Secret Gardens raises thousands of pounds for Winster's local groups and activities. Let's work together to make this our best year yet.

Thank you

Winster and Elton Luncheon Club

Thank you very much to the following for supporting the Luncheon Club in 2025. The club could not be financially viable without your grants and charitable donations. The members are very grateful for your generous and thoughtful support.

Grants

- £400 - The Heathcote Charity
- £250 - Winster Secret Gardens
- £1,000 - Better Derbyshire Dales Fund

The club also received donations totalling £1,973.18 from the following sources:

- Winster Guisers
- Winster Wakes
- Winster Village Quiz
- Members and Volunteers of the Luncheon Club
- Residents of Elton and Winster
- In memory of Roland Corfield
- In memory of Sue Webster
- David and Marilyn Bentley who support the Club throughout the year financially and in other ways

We would also like to thank all our wonderful caterers, volunteers and Alan the minibus driver. The club would not function without you.

If you sign up to the Derbyshire Green Rewards between 8th and 31st March you could be in with a chance of winning a FREE annual Garden Waste Subscription worth *£60, (*If you are already subscribed to the Garden Waste Service, £60 will be refunded back, as long as you are not one of the early bird sign up competition winners), as well as having a chance to win a variety of vouchers for the actions you complete.

Winster Village Shop – Volunteer with Us!

Want to gain experience, boost your CV, and be part of something local?

Come and volunteer at Winster Village Shop!

We're Winster's community-run shop powered by an amazing team of volunteers. In fact, we couldn't run without them. Our volunteers work alongside staff to keep the shop going and make it a big part of village life.

We also support young people through work experience and programmes like the Duke of Edinburgh's Award.

Why volunteer?

Volunteering with us is a great way to:

- Build your CV and stand out
- Gain real work experience
- Learn new skills (teamwork, communication, customer service)
- Meet new people
- Grow your confidence
- Give something back to your community

What could you do?

There's loads of ways to get involved—depending on what you enjoy:

- **Like chatting to people?**
Try working on the till and gain customer service experience
- **Prefer behind the scenes?**
Help with stocking shelves and keeping things organised

- **Feeling creative?**
Design our shop window displays—they change regularly and are a real village highlight
- **Got other skills?**
Interested in social media, IT, or business? Bring your ideas—we'd love to hear them

FAQs

Who can volunteer?

Anyone aged 14+ can get involved. No experience needed—we'll show you everything you need to know.

Not sure if it's for you?

No worries! You can try a "taster session" first—shadow a volunteer, see what it's like, and decide from there.

How much time do I need to give?

Totally flexible. Even an hour or two a week helps. For younger people it's perfect if you're doing Duke of Edinburgh or want work experience to enhance your CV.

Sound good?

Get in touch and come and give it a go—you might enjoy it more than you think!

You can register your interest in volunteering by:

- Popping into the shop and chatting to any of our staff or volunteers – we're on Winster Main Street DE4 2DJ
- Calling us on 01629 650683
- Emailing

Final Quiz of the Season

BURTON INSTITUTE 27TH MARCH 7:30 PM

Don't miss it

Question Setters are Martin Firth and Bev Shimwell so we can look forward to sparks, challenges and great good humour

At Martin's suggestion, the good cause is

Next season we hope to add a couple more quizzes and will also review the December quiz which in 2025 suffered badly from a clash of events.

April and May are lighter nights, warmer weather so making your way to the Burton Institute will be more enjoyable. Such is the breadth of knowledge of our existing quiz masters that no two quizzes are the same - some are hard, some are easy, and some, like Mummy Bear's bed, are 'Just right'. We do, however, need more volunteer quiz masters. This invitation is open to anyone in or around the village. Just get in touch through the mailbox

winsterquiz@outlook.com

One of the quiz organising team will be more than happy to chat with you if you think you might be interested.

Here's an outline of what a quiz looks like for any who have not recently attended.

- 9 rounds of 10 questions each
- Each round has a cryptic name
- Joker when played gets the team double points so they have to judge what a round might be about from its name
- Team with the most points wins the Gnome for the month - always worth having a couple of tie-breaker questions in hand.

We would love some younger attendees so let's see if we can't get some quizzes in the diary that are aimed at them.

Winster Wakes and Community Archive Project invite you to a presentation by Grace Morton, to be held at 7pm at the Burton Institute, on Monday 20th April. Grace is currently studying for a History degree at the University of Derby. She is also a Morris dancer with Makeney Morris.

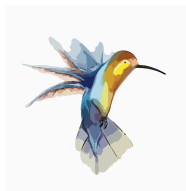

Her talk is entitled:

“The creation of folk translocality through Morris dancing and rural Wakes using Winster as a case study”

Her research was undertaken during her placement with the WWCA Project, and made possible by the National Lottery. Our project aims to help Winster preserve its own photographs and other memorabilia about Wakes Week, Carnival, and other community events, for posterity and to make them more accessible. The project is supported by Derbyshire Record Office, the University of Derby and local voluntary associations like Winster History Group.

Everybody is very welcome to come to Grace's talk.

You may not spot a Hummingbird in the Winster skies but enjoy what the Spring and Summer does bring - identify them using the wonderful free site shown here and maybe share a photo or two in the magazine

Wakes Week Art Show

Just a reminder to get creative for the art show as we'd love to see your work on display.

All ages and abilities are welcome — it's a wonderful chance to share your creativity with the village.

Your artwork just needs to be ready for submission on June 24th/25th.

If you have any questions or need more details, feel free to contact Mark Shattock on 07796 934013 or markshattock@hotmail.com

Winster bunting – thank you!

A wonderful response from the village community means that Winster will be festooned in bright new bunting for Wakes Week and Carnival this year.

Thank you to everyone who contributed to this tremendous effort. We've had many people marking out and cutting out the flags as well as an army of people sewing the lengths of bunting.

The fundraising has also been successful! Thanks to all those that attended the fundraising village quiz and to the sponsors who have generously donated to the cost. The fantastic news is that the fundraising has covered the cost of the materials for the bunting.

Let's hope the sun shines to help the village look vibrant and colourful this summer.

Wednesday café.

The last session will be on Wednesday April 1st. We have had some wonderful sessions this year where we have put the world to rights (well tried – it's

been difficult lately) but we're having a break now until the Autumn. The café in the church will soon be taking over at the weekends.

WINSTER'S CHURCH CAFÉ WILL BE OPEN

**2 May–13 September
Saturday and Sunday
1pm–4pm**

The café has been very successful over the last four years, and we hope this will be another good one. As well as visitors, we're very pleased to find that many Winster people come for a friendly chat and to meet new people. Why not join them?

Winster teenagers are a much-admired element of our café. More adult volunteers are needed to work with them. If you can help, please ring Marg Lester, 650090. Thank you.

Easter Thought

Happy Easter, Alleluia, Alleluia!

We live in a very complex world. There's so much false information and propaganda. So often we see people living a lie because they are unable to accept who they are. Jesus calls all of us to live in the light and love of God. Often people are unwilling to accept their shadow self; the part of their life which is in the shadows can only be touched by God if they allow God in. The story of Holy Week is about Jesus facing up to the beauty and brokenness of our world. Jesus sees good in the people who live on the margins. Jesus sees the kindness and potential of so many people. In Holy Week Jesus did some powerful actions on Palm Sunday. He entered the Holy City not on a warhorse depicting power and authority. Jesus entered on a Donkey – the prince of peace came in trustful humility. The fickle crowds sang 'Hosanna to the Son of David' but a few days later the same crowd screamed 'Crucify, Crucify'. On Holy Thursday Jesus shared the normal liturgy (way of praying) and he added a bit. He took off his outer clothing and tied a towel around his waist and he washed his followers feet. He took on the role of a servant. Though Jesus' words were powerful His action were more so. Jesus commanded – 'you must do likewise'. We must do likewise, we must serve our families, our communities, and in some ways our world. Sometimes people need to remember that the 'Children of God' must servants of all. Sometime we fall into the sin of pomposity, or worse self-righteousness, or being the 'morality police'.

The Christian must be one who prays, serves and loves in the name of God. We're the servants, God's the only one who can judge. These costly actions I've just mentioned are rooted in the total giving of himself on Good Friday. God in Jesus Christ died for all people, Jesus emptied Himself of everything to understand our own brokenness. On Holy Saturday there is a silent void. If you've lost someone you love, you know this void. Our loved one has died, it is too soon to register the death or speak to the funeral director. There are a million jobs to do but we are just sitting in a void of loss.

Then on Easter Sunday, all changed, Jesus the Christ wasn't resuscitated. He'd been well and truly dead for three days when the women went to anoint his broken and bloodied body. Jesus was absent from the tomb. In that, Absence is a promise of future glory. The human story doesn't end in death but in the promise that you are very very precious in the sight of God. We fall and we sometimes find it very hard to rise again. But Christ never leaves us; he is with us when we're on our knees and also when we are celebrating with the joys of life. In Jesus all our sins are forgiven and our lives can have such wholeness if only we turn to Christ. And if we simply say sorry (and mean it) we are truly forgiven. So this Eastertide see yourself as God sees you. You are deeply loved not because you are perfect but because you are loved. Finally, please be very much assured of my prayers for you and your loved ones.

So, may God bless you this Easter Time, and may he hold you in his heart and tell you that you're blessed.

With love & prayers.

Christine Harding, Heritage Highways across the Peak

Follow in the footsteps of Jaggermen and Lime Gals as they travelled and traded along the ancient highways of the Peak District. From Buxton to Bakewell, Bamford to Bonsall, our towns and villages, byways and bridleways contain many clues to the history of our Heritage Highways. All will be revealed on screen in the talk!

Everyone welcome.

Happy April Everyone

Winter is now hopefully behind us and we look forward to sun-drenched days in the garden or walking the fields and hills around us. We are so lucky to live where we do in so many ways. We have the glorious Peak District of course, but we also have our very own home-grown events...like...

The Winster Country Show!

It's really going to be fun this year. We have had an overhaul of the categories and added some great new ones to the list.

One which I really like is the chance to help our wildlife by creating a Bug Hotel or a Hedgehog Hideaway. Recycling materials or using new sustainable ones, it's a great idea to help bring vulnerable creatures and essential pollinators into our gardens. The best thing is that anyone, of any age is eligible to have fun entering any of our categories.

There will be the usual teas and cakes from 2pm but as well as that we will be having a couple of guessing games with a chance to win prizes.

So without further chit-chat turn the page for the list of categories for Winster Country Show 2026

Any category can be entered by anyone of any age group. Each will be judged accordingly

Age Groups are KS1 KS2 KS3 Adult
