

Notes

Henry Tomkins ran a wholesale and retail business in small wares from a premises on **Main Street, Winster** — the building still bears his name and **Licence No. 5347.A.** above the door. The inscription reads: *"Henry Tomkins wholesale and retail dealer in small wares Licensd Hawker."*

Henry married **Sarah Hardy** on **6th December 1847 at Youlgreave**. Sarah was born in Winster, the daughter of **Michael Hardy**, a miner of East Bank. Both signed the certificate with a cross, indicating neither could write. Henry's father **William Tomkins** was a Malster — one who made, sold or converted raw grain into malt for brewing. His mother **Maria Tomkins** was a 'Traveller' (travelling salesperson), suggesting an entrepreneurial family tradition.

Henry was born in Woolstanton, Staffordshire; brother **Charles** in Stone, Staffordshire — the family were mobile traders before settling in Winster. By 1871, Henry had moved to Stoke-on-Trent as a General Dealer & Hawker.

Who was Henry Tomkins? Jo Banks unravels the mystery

I guess we've all walked past Amy Slater's (Auntie Amy) house on Main Street and seen the lettering above the door that reads, "Henry Tomkins wholesale and retail dealer in small wares Licensd Hawker" and wondered, who was Henry Tomkins and when was he running his business in Winster?

I found Henry Tomkins on the 1851 census living on East Bank, near to Orchard Mine Cottage. He was 24 years old and his occupation is listed as 'Hardware Dealer'. He must have run his business from Amy's front room in the 1850s and lived on East Bank. Henry Tomkins had a wife Sarah who was a lace runner, this was someone who embroidered patterns onto machine made lace/net. His brother Charles, an agricultural labourer, was also living with them.

You will notice that there is a licence number (5347.A.) painted above the doorway too. From the 1850s, hawkers and pedlars were regulated by the Board of the Inland Revenue and they were required to have a licence to legally travel and sell goods. A hawker licence cost around £4, equivalent to around £235 today. It doesn't sound a lot, but a hawker in the 1850s was likely to only earn about 50p to £1 a week so the licence cost around 1 to 2 months earnings. The reason that "Licensd Hawker" is painted above the door is that legislation meant that licensed hawkers were required to prominently paint or write "Licensed Hawker" on their packs, vehicles etc, and in this case, on the building from which he worked.

Henry was also living in Winster at the time of the 1841 census when he was living with his mum, Maria, and brother

Charles near to Honeyspot Cottage on East Bank. They were lodgers in the house of Samuel Garside and family. Maria Tomkins was 35 and her occupation was listed as a 'Traveller' which meant that she was a travelling salesperson who travelled to sell goods. Henry is listed as 12 years old and Charles 7 years old.

There was another travelling salesman living in the house, Patrick Godfrey and his wife Mary and their son Patrick.

Maria Tomkins was still living in Winster at the time of the 1851 census, she was a lodger living on East Bank, near to The Anchorage. No occupation is documented. She is listed as single and was born in Posbrook, Staffordshire.

Henry was born in Woolstanton, Staffordshire while his brother was born in Stone, Staffordshire. By 1861 Henry had left Winster and I next found him in the 1871 census, by which time he had moved to Stoke on Trent. He was a 'General Dealer and Hawker'.

Henry married Sarah Hardy in Youlgreave on December 6th 1847. Sarah, who was born in Winster, was the daughter of Michael Hardy who was a miner and lived near to The Anchorage in East Bank. Henry's father is recorded as William Tomkins, a Malster. A Malster was someone who made, sold or converted raw grain into malt for brewing. Henry and Sarah signed the marriage certificate with a cross, indicating that they could not write.

Henry and Sarah had six children; Louisa (aged 22) a China Gold Burnisher, Henry (aged 13) 'Assistant Hawker,' Emma (aged 10) also an 'Assistant Hawker', William (aged 7) a 'scholar', Mary Ann (aged 4), and Frederick (aged 1).

A Thought on the Mystery of the Ascension.

The Ascension of Jesus is one of the most quietly important moments of our Christian story. It does not carry the dramatic grief and emotion of the Crucifixion of Jesus or the astonishment and joyful spirit of the Resurrection of Jesus, yet it gathers both into a deeper meaning: Christ's departure is not an ending, but a transformation of presence. That is why you may have heard me (often call the church) the Body of Christ. In the removal of the physical Christ there is now the presence of the 'Body of Christ' the people of God.

One way to reflect on the Ascension is to see it as an invitation to a growth in faith. Maybe a deepening of our relationship with the Lord. During His earthly ministry, Jesus Christ was physically present—seen, heard, touched. Many of the pre reformation hymns touched on these facts and they related them to Holy Communion.

In ascending, He withdraws that visible presence so that His followers must now learn to recognize Him differently: in spirit, in community, in the unseen workings of grace. It is a shift from dependence on what is tangible to trust in what is eternal.

There is also a paradox (I'm not keen on the word 'paradox' as it sounds too clinical) of absence and closeness. On the surface, the Ascension feels like loss—Christ “leaving.” Yet Christian tradition teaches that in ascending, Ironically, pre Covid we have a family Service in St Helen's where a Balloon represented for the young people Jesus going up to heaven. But I'd not thought it through and the balloon didn't go down for ages!!

I'm not sure what that said about Jesus!! But Jesus becomes more universally present, not confined to one place or time. This echoes the promise that He would be with His followers always, even without physical form. The Ascension, then, is not distance but expansion.

Another layer of reflection lies in the idea of exaltation. The Ascension is not simply a return to heaven, but an enthronement—a declaration that humility, sacrifice, and love are ultimately lifted up. The one who suffered is the one who reigns. For Christian believers, this becomes a quiet assurance that no act of love or faithfulness is ever wasted. Please hold on to this last sentence because it speaks to us in our human story, in our loss and our limitedness and our brokenness.

There is also a deeply human dimension: the disciples are left looking upward, and yet they are called to turn back to the world. The message of the Ascension is not to remain gazing at the sky, but to continue the work begun—living out

compassion, justice, and hope. It marks the moment where followers become witnesses, where receiving turns into giving.

Finally, the Ascension carries a sense of anticipation. It points forward—to the coming of the Holy Spirit, to the growth of the Church, and to the hope of ultimate restoration. It holds together past, present, and future in a single act of trust. In quiet reflection, the Ascension asks a gentle few questions: *“how do we live in the space between presence and promise?”* and *“How do we become more fully the Body of Christ in Matlock Bath, Cromford, Winster, South Darley and Darley Dale?”*

My last word is for people who don't attend church or don't know what they believe – In Derbyshire a great Faith Tool is the Well Dressings – Communities come together and there are tensions in regards to much about the Well Dressings design, modern verse Tradition etc. BUT, the Community which can work together is the Community where Jesus Christ is truly present. Let us work together as we look to the future of our Church communities and our villages. And I can promise you one thing,(this is for all people) our churches are so much better with you as part of them. Your presence, questions and challenges, doubts and worries and even your anger and hurt, keeps us alive.

With my sincere love and prayers.

Wyns Tor Singers Spring Concert, with guitarist Graham Roberts

Sat 9th May 7:30pm St John's Church Winster

Winster's chamber choir, the Wyns Tor Singers, invite you to a spring concert in aid of church funds.

The choir will sing a wide range of classical and contemporary music, from well known masters such as Durufle, Grieg and Victoria, to more recent favourites such as Billy Joel & Paul Simon. Of particular note will be a set of Shakespeare's songs & sonnets set to music by George Shearing, with a distinctly jazzy feel. We sing of daffodils, lovers and lasses in springtime.

Our guest musician is concert guitarist Graham Roberts from Crich. He has performed around the world with many national orchestras, and will share some of his extensive repertoire with us. As well as more

classical guitar pieces, he has a love of vintage jazz pieces, so there will be something for everyone!

Do join us for this enjoyable evening of fine music.

Tickets £10 from Winster Post Office, or on the door.

Winster Litter pick 21st March

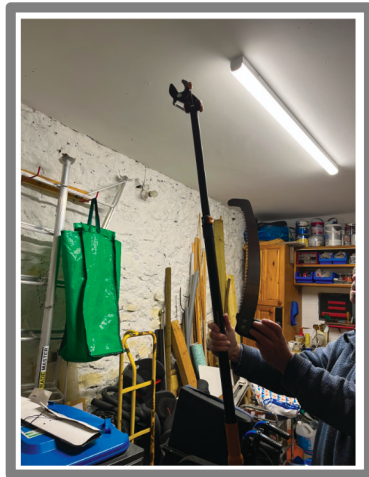

What a great turnout and what a haul at this year's litter pick! Volunteers found a lot of litter on the roads leading out of Winster whereas the streets were pretty clear. Here is a picture of some of the bags, including parts of a car.

Thanks to everyone. Dave and Anthea

Items you can borrow from the Pond & Community Orchard

With many thanks to Steve Cheesmond we now have a very long pruner/lopper for use in the Community Orchard. Folk welcome to borrow this and our amazing tripod ladders – we just ask for a small donation to our funds.

The Little Library

When I put the little library back on its post over the Easter weekend, it struck me just how lucky we are to have such a marvellous recreation area in the village. Apart from all the exercise equipment, the daffodils were in full bloom, the orchard is coming into bloom and is looking splendid thanks to all the effort put in to keep it so. The pond is also looking good. I don't know if it is a bit early for the frogs to do their thing but there was what could have been newt spawn as there were plenty of newts in the water but what do I know, I'm not an expert!

Over the next two months the magazine is running a feature on Winster's Darby and Joan Club, which this year celebrates its 70th anniversary. Part 1 covers roughly the first half of its illustrious history

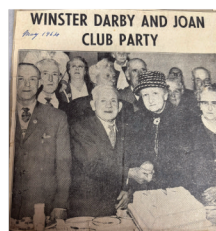

Winster Darby and Joan club. Established 1956 - part 1

Formed in 1956 by Mrs Maj Fairey who lived on East Bank. Mrs Steel and Nellie Fisher were appointed secretary and treasurer and there were 39 original members, with the subscription of 6d (2½p). Mrs Roper took over in 1962 with Mr Wright and Mr Blore.

Over the years the club thrived with many stalwarts of the village taking on the roll as leader, secretary and treasurer. There were yearly parties, trips out, dances, Christmas dinners. We even had holidays away with other Darby & Joan clubs from the local area and the WRVS also attended.

We had various local entertainment at the club session Phil Gray and Keith Manifold. The club took on the running of the pancake races through the 60s & 70s.

Annual general meetings were held in the committee room at the Crown Inn courtesy of Mrs Hawley landlady, 25 attended in 1964.

Through the 70s the club carried on with Mrs Fisher & Bette Wood. Mrs Roper & Mr Blore retired after 17 years as treasurer. Sadly we lost Mrs Widdowson in May 1977 at one of the meetings, due to a heart attack.

When the WRVS celebrated its 40 years, their celebratory gathering at Buxton Opera House in 1978 was attended by many of the Winster Darby and Joan members.

Mrs Gerbal of The Manor took over the leadership with Peggy Shimwell.

Winster Parish Council Announcements

NOTICE OF ANNUAL PARISH COUNCIL MEETING (AGM):

TUESDAY 5th MAY 2026 AT 7.00PM AT THE BURTON INSTITUTE, JUBILEE ROOM.

The annual meeting is primarily for the council to elect the chairman and vice-chairman, review council business, and set priorities for the year.

The ordinary meeting of the Parish Council will follow the Annual Meeting.

WINSTER PARISH NOTICE OF ANNUAL PARISH MEETING:

MONDAY 11th May 2026 AT 7.00PM IN THE BURTON INSTITUTE.

The Parish Meeting is an opportunity for parishioners on the Electoral Roll for Winster to raise any matters of concern to them which relates to their local community. It would be helpful to have written notice of any matters to be raised but it is not essential.

Matters can be raised at the meeting without prior notice.

For any queries, please contact the Clerk to the Parish Council

clerk@winsterparishcouncil.gov.uk

WINSTER PUBLIC TOILETS

In a recent edition of the Winster Magazine, the Parish Council outlined the cost of servicing the public toilets and put forward a proposal for consideration to reduce the costs by only having 1 toilet open. At the Village meeting the 50 residents who gathered voted by a large majority to keep the whole toilet block open. As Winster Parish Council is a democratic organisation we are delighted to keep them running and will now focus our attention on getting better value for money for the residents.

continues next page

There was much discussion and some great ideas put forward including increasing awareness to toilet users of the cost to the village, attempting to get some commercial sponsorship, increasing profile of the cost of the toilets during key events eg Wakes and Secret Gardens. In addition to the running costs a refurb is required which quotes showed would cost more than £5K so volunteers were called for who could help.

Here is a summary of what is now planned:

Day to Day Running

The cleaning of the public toilets will be brought in-house from the end of May and become part of the Warden's responsibilities.

A resident of Winster has written a notice, to be posted in the 3 toilet areas explaining the cost to the Winster Rate Payers.

The Parish Council is exploring adding a QR code for people to donate electronically. We will improve the signage to the Toilet Block and the Honesty Box, write to local businesses to try and secure commercial sponsorship and increase the profile of the cost of the toilets during key Village Events: hill race, cycle race, Secret Gardens etc.

We are looking at the feasibility of solar power to get off grid, but also looking for an alternative supplier that provides low standing charges for a low volume user.

Refurbishment

The call for volunteers at the meeting has identified 10 people who would be willing to help with painting and joinery. If there are other people willing to assist, please do let the clerk know, as we will be doing it in 3 phases so a good pool of people to draw from would be helpful.

clerk@winsterparishcouncil.gov.uk

We will start with the accessible toilet, which is currently locked with a radar key, but we will be removing that to make it even more "accessible!

We are currently applying for a grant to help cover material costs, otherwise this will also need to be taken from parish funds. We anticipate start the refurbishment towards the end of May.
