Jacquie Salfield to Step Down

Way back in the summer of 2009, Roland Corfield and Jacquie Salfield cornered me to ask if I would be interested in helping them to hang some pictures in the church for an art exhibition as part of the Winster Wakes celebrations. That was the first Winster Wakes Art Exhibition, and since that time Jacquie has worked tirelessly to build up the exhibition to be one of the main events in the Wakes Week schedule, including the Tuesday evening reception. Good causes have also benefited, both from the proceeds of the reception and from the sale of the artwork.

Jacquie has understandably decided that it is now time to handover running of the

exhibition. Organising village events such as this takes a great deal of time and dedication and we would like to thank Jacquie for all of her hard work over the years. We will miss her gentle 'encouragement' and cajoling to make sure that we have new artwork to show each year! We would also like to thank Steve Salfield and his jazz trio for providing the excellent live music at all of the receptions and the church for their ongoing support.

Moving forward, Mark Shattock has kindly agreed to take over organising the exhibition and we wish him well - he has a tough act to follow!

Planned Road Closures

It can be quite difficult to keep abreast of road closures at the moment but there is a single online tool you can use to plan your journey and avoid the dreaded diversion.

Causeway OneNetwork is a live map view of active and planned events including road works, public events or weather related closures. There is a downloadable version called 'Live Link' for phones as well as the above browser version. Check it regularly. The village communication team are also checking it and wherever possible, the Winster Events Diary is updated with the same information.

A5012 Via Gellia between Cromford and Newhaven will be subject to Ash Tree felling in sections between now and 1st March 2025 and during which time traffic management including diversions may be in use.

B5057 will be closed in **Wensley** over the weekend **Sat 1 Feb and Sun 2 Feb**: from 0800 Sat potentially to 1800 Sunday (but may reopen sooner if work is completed early)

Darley Bridge will close overnight from 1900 (to 0100) on Tue 28 and Wed 29 Jan and from 1900 (to 0700) on Mon 10, Tue 11 and Wed 12 Feb.

B5056 Longcliffe Brassington will be closed for tree felling works between 3rd March 2025 and 14th March 2025, working days only between 09:00 and 16:00 each day. Access will be maintained where possible.

East Bank and The Flat need Snow Wardens

Derbyshire CC takes responsibility for gritting Main Street, and sometimes West Bank – but not other side roads or paths in the village. For these, it is up to Parish Council to find volunteers who are willing to turn out and help make paths (and/or roadways) passable in ice and snow.

Many parts of the village have their own Snow Wardens, who do a fantastic job of clearing routes. But we don't have anyone to cover East Bank or The Flat.

Training and (basic) equipment is provided – all we need are the volunteers! If you could offer help for East Bank/The Flat (or any other part of the village that doesn't currently get cleared), do please contact our Parish Clerk, Trisha Dale - on 07703 514551 or at clerk@winsterparishcouncil.gov.uk.

Winster and Elton Luncheon Club- Thank You messages

Thank you very much to the following for again supporting the Luncheon Club in 2024. The club would not be financially viable without your grants and charitable donations. The members are very grateful for your generous and thoughtful support.

Grants

- £300 - The Heathcote Charity
- £200 - Winster Secret Gardens
- £600 - Better Derbyshire Dales Fund
- £197 - Winster Village Quiz
- £4,780– National Lottery Community Fund

In addition the club received donations totalling £1,993 from the following sources:

- Allan and Pam's Carnival Quiz; the amount raised on the night was doubled by Marilyn and David Bentley
- Allan and Pam's Boxing Day Quiz
- Winster Guisers
- Foresters Raffle
- Members and Volunteers of the Luncheon Club
- Residents of Elton and Winster
- David and Marilyn Bentley who support the Club throughout the year financially and in other ways

We would also like to thank all our wonderful caterers, volunteers and Alan the minibus driver. The club would not function without you.

A big thank you to the children of Winster School for coming to the Darby & Joan Christmas Dinner to sing for them.

And a thank you to David & Marilyn for the donation from the Quiz

It will certainly pay for a trip out.

Thank you from Carol & Sandra

The Christmas Elf

Freddy was so excited. It was Christmas Eve and Santa had asked him to help pack the sleigh and go with him to deliver the Christmas presents. It was Freddy's first time helping Santa on his journey around the world. Mrs Claus had made him a new green elf suit, new trousers and new shoes with a lovely special tinkly bell on each curly toe.

Freddy fed the reindeer, who needed a special diet so that they could travel around the world in one night. Blitzen was very particular about her food, not exotic food, she loved apples. Rudolph (which Freddy always thought was a strange name for a reindeer doe) licked his ear and it tickled. "Freddy", said Santa, "I have a special request".

"Here is a special present from a young man to his young lady. I want you to deliver it personally."

"I will", said Freddy. "I'll take great care of it. It will be safe in my pocket as Mrs Claus put two buttons on it making sure nothing falls out."

Santa checked his list twice and when all the presents were loaded onto the sleigh, Freddy and the other elves got onto the sleigh and they set off. Freddy had so much fun. Chatting to the other elves, travelling over so many countries, seeing so many sights, helping Santa deliver the presents. It was wonderful.

Finally, they reached the place where the present Freddy had been looking after should be delivered. It was a place in Derbyshire called Winster. A lovely village, Freddy could see there were many happy and kind people living there. Santa gave Freddy the address and told him not to be too long. Freddy wasn't worried. Being magical, if an elf got left behind, he only had to click his heels 3 times and say "There's no place like home" and he would go straight back to the North Pole. Also, people could only see him when he wanted them to and then they would forget.

Freddy wandered round Winster, looking for the address, but it wasn't easy. The house he was looking for had a name, not a number. As it was night-time, there was no-one to ask. People were in bed asleep, especially the children, looking forward to getting their presents in the morning.

Christmas Day came and went. On Boxing Day he saw the Winster Mummies. They were in fancy dress, so no-one thought his costume was odd. They thought he was dressed up. After a few days, he saw packages being delivered by men in vans. He asked a couple of them, but they sent him to wrong addresses. Then he found a post-woman. She thought he was a little boy from Winster School and told him where the right house was. The only problem was that the present was too late for Christmas and too early for Valentine's Day. But Freddy had an idea. He would wait. He had a few weeks to wait, so what would he do. He decided he would entertain the various community groups in Winster and Elton. He did this and they laughed at his jokes, joined in his games and, in return, he was kept warm and fed lovely meals and cakes. He was given a bed in all sorts of houses.

Then, on the night of February 13th, St Valentine appeared and helped Freddy get into the right house and deliver his present. He said thank you to St Valentine and then 'click, click, click' with his jingly shoes, said 'there's no place like home' and was gone.

I know this because it happened last year. If you heard tinkly bells early on February 14th, that was Freddy going home. If you were the young lady who received a special present on the morning of February 14th, I hope you enjoyed it. If you said 'yes', please send a letter to Santa inviting Freddy to your wedding - he will come, although you won't remember, but you will know all the same.

Sending all my love to everyone in Winster and Elton

Winster Pond Tree-Pruning Saturday 25th January at 9:30 am

Thanks to all who supported our plant sale. We have bought a decent set of ladders to be used for both tree pruning and fruit picking.

So, we are looking forward to seeing you from 9.30am on 25th January to help with pruning apples and pears. The soft fruits are pruned in the Spring.

You are also very welcome to borrow this ladder – it is 2.4m high but it would be great if you would make a small donation to the Pond and Community Orchard fund!

Burton Institute Geoff Lester, How Winster Got Its Water Supply

Drawing on photographs and other material in the History Group archive, this talk tells how things have changed from the time of catchment tanks, well water and village pumps, through the years when Winster had its own private schemes, to the situation we have at present, with constant supplies of good water from the reservoirs in the Upper Derwent Valley.

If you don't remember stand pipes and taps that used to run dry, come along and see what it was like without the commodity we all take for granted – water.

I know it's only January but we want your photos!

But do you have any LANDSCAPE orientation photographs from village Christmas events, or the recent snow, suitable for the 2026 village calendar? If so, please send them to me, before you forget? Rachel@winster.org. I'll start a bank ready for the calendar group's consideration in the autumn.

You can send photos throughout the year, so please whip out that camera at any reasonable opportunity! Make sure you turn your phone sideways to capture in landscape! The photos need to depict Winster, its surroundings or village life. Happy snapping :)

An appeal from Margo, one of our village's Ukrainian guests

Firstly, I want to express my gratitude to the people of Winster who welcomed me and my mum so warmly back in April 2022. We were the first Ukrainians to come to the village and we had a wonderful six months staying with Martin & Deborah Hofman and experiencing your special variety of Derbyshire culture.

I've been fortunate to continue my studies at the Screen and Film School in Brighton, and I'm excited to share that I'm working on my graduation film, *Breath of Life*. The film tells the story of refugee children who weren't as fortunate in finding a loving adoptive family,

and it's a project that's very close to my heart.

I would love to share my crowdfunding campaign with you and hope you might be interested in supporting my project. Any donations or help in spreading the word by sharing on social media would be incredibly valuable; allow me to produce a high-quality film and submit it to film festivals both in the UK and internationally. A key aspect of the film's production is its art house style, particularly in the set design, which is why I'm focusing on production design as a major part of the crowdfunding.

The link to my GoFundMe campaign is:

<https://gofund.me/1a9aedf0>

I plan to return to Winster later this year to show you my film and very much hope to see all of you who have contributed, as well as anyone else who is interested...

Thank you so much for your attention and support,

Very best wishes,

Margo

A Thought for February

Isaiah 43.19 "See, I am doing something new! Now it springs up; do you not see it? I am making a way in the wilderness and streams in the wasteland."

I'm writing this after the coldest weather in quite sometime yet my mind turns to Spring. The world around us will seem to come alive again. For us living in the countryside it's evident in the buds on the trees; the flowers blooming and sharing their scent. The days lengthen and the warmth of the sun makes us feel more alive. February and March are a reminder that all we've dealt with in the harshest winter and the death of plants and the early darkness of the evening time does come to an end.

So, Spring isn't just a physical reality of change and renewal but it's also a sign of a spiritual reality. It's reminds us how God works in our lives. Whatever is happening in our lives God can always make things new. Someone once wrote with a touch of poetry, "Just as a barren tree begins to bud or the ground that was once hard and cold becomes soft and fertile, so does God work in our lives to restore what was lost, broken or dead."

The prophet Isaiah reminds us that God is always doing something new. But like in so many facets of our

lives we need 'eyes to see, and ears to hear'. Our personal winters or our own spiritual winters - times of struggle, loss, spiritual dryness etc. We can be confident that God never leaves us. Never! During this past Christmas time I was mourning the death of my dad and all that entails. And, even in the pain and tears I still felt that God was with me. God so often works through family, friends, parishioners etc. But we need to be aware. Just as God is very much with us in our pain (whatever that pain may be for you or me) and yet sometimes we don't feel aware of it. But like the change from Winter to Spring God renews His work in our heart. So as Spring gives us Hope in the future let us finish with a question: What are the areas in your life that need renewal? What parts of your 'heart' seem cold, or dormant?

Trust that God, the creator of the Seasons, is at work in your lives; God is making all things new. As we hope in renewal in our churches and our communities etc. Remember Hope isn't just wishful thinking no. Hope is rooted in the faithfulness of our Creator and Redeemer and Sustainer. As the Seasons are held in the love of God so are we.

God bless you all,

Love & Prayers.

Revd. Stephen Monk

Winster Emergency Telephone Tree: 01629 698 699

This service lets you find emergency help in a hurry – a call to our special phone number **01629 698 699** sets a dozen phones ringing around the village, and you'll find yourself talking to the first person who answers.

The help might be to fetch the village defibrillator while you are waiting for an ambulance (and to send an extra person to help with CPR in the meantime). Or it might be, as happened one evening recently, to get a couple of people to help lift someone who had fallen.

Why not keep a note of the number somewhere where you can find it in an emergency and give it to anyone in your circle who lives outside the

village e.g. son/daughter whom you would ring first.

Several of our initial team have now left the village so we are very keen to find additional volunteers. You don't need any particular expertise – we will organise an evening session on how to use the defibrillator and deliver CPR. We will give you instructions on how to pass information down the telephone tree (e.g. where two or more people to assist are needed) and supply you with a copy of the village map showing all the addresses.
