Lots of things to share in the magazine this month so settle down with a cup of tea and a biscuit and enjoy some light reading. Don't miss the events taking place in and out of the village involving village groups like Wyns Tor Singers and our Morris Dancers. A couple of events in the Burton Institute that may also be your cup of tea - have a look at page 5 as well as page 6.

And of course do not forget the monthly village quiz - February's is on Friday 28th. The season is coming to its end (last one this side of summer being final Friday in March) as everyone gets busy doing outdoor things. Take a look at page 10 for more detail.

Marg and Geoff Lester have decided they've done their bit for the village quiz and have found some willing folk to take over the mantle. While you still can please come and support their efforts at fun and fundraising. We'll be introducing you to their replacements in next month's magazine

Best wishes, Helen x

Your Village Facebook Groups - changes in the wind

We have two Facebook groups, established by different people and with different objectives. Of late, both groups have been used to post updates on events, road conditions, questions on who, what, where and how, and the great giveaway of items found in the 'back of the cupboard', plus a million other things that crop up. It does seem that people are confused about where to post - and therefore post the same thing on both groups. An example is with

the recent Wensley Road closures -were you getting the most recent and most accurate information? That depended on where you were looking.... SO the time came to look at how well it was working and how the two groups could be streamlined. We, the Admins. of both groups, have put our heads together and come up with a plan which we hope will benefit everyone.

Below shows why the two groups cannot be merged.

Winster Village News Group (new default)

A public forum which anyone in or outside the village can join, share and engage in within the comments. Posts are moderated and only approved if meeting the rules of the group.

Winster Community Group (private messages only)

A private forum to which access is granted only to people associated with the village. Posts cannot be shared or seen outside of the group. Posts are not moderated and do not require approval but may be removed if not adhering to the rules of the group and to which members have agreed.

We're asking, please, that where you previously went to Winster Community Group to post your messages, you now head to Winster Village News Group instead. This has a wider audience and posts can be shared beyond the community. For personal or private matters - such as lost parcels and proof of delivery photos which don't belong outside the

community, please continue to use Winster Community Group.

This change may take a while to embed into the minds of people as nobody likes a change. We'll keep an eye on things and review again in a few months on how it is working (or not). Thank you for your support.

Thank you to a few folk

The Wyns Tor Singers would like to thank the Secret Gardens Committee for their very generous grant of £200.00 which will be used to help with the costs of paying soloists and accompanists, and buying new music scores.

Sandra and Carol, on behalf of Darby and Joan, would also like to thank the Secret Gardens Committee for their donation.

Sue Thompson would like to thank Deborah Hofman and the Dial-A-Ride team for their help in attending an appointment at the Whitworth Hospital during the festive season.

30 minutes Free Parking in Town Centre Car Parks

A progressive new measure allowing vehicles to park for up to 30 minutes ****FREE**** in our town centre car parks will come into operation from 1 April.

For Derbyshire Dales residents, this comes on top of free parking with their resident permit in all of the District Council's car parks before 11am and after 3pm every day of the year.

The 30 minutes free quick-stay - which cannot be added to a longer period in the same car park - will apply

in Ashbourne to Shawcroft, the Bus Station and Clifton Road, in Bakewell to Granby Road and the Market Place, in Matlock to Imperial Road (M&S), Lido, Olde Englishe, Spa Villas and Town Hall front and in Wirksworth to the Market Place.

Small Electrical Recycling service

Residents can now easily recycle small WEEE items such as old toasters, kettles, hairdryers, and other electrical devices that require a plug or battery.

Please place small WEEE items, loose, by the side of your bins/sacks/caddies by 7am on your weekly waste collection day. These

items will then be collected by our food collection vehicles, which have cages fitted to the underside.

Pickleball in Winster

Pickleball is an American ball game that's growing fast in popularity around the globe. It's a fantastic game that's fast and fun to play, and guess what, we play here in Winster on our very own outdoor village courts.

But listen, now's your chance to join in without even having to lift a paddle and at the same time help us -

WE NEED A LOGO

for Winster Pickleball, so here's your chance to design it.

There's a lot of information about the sport around, so if you have any ideas about how this might look, please send them on email to a.j.rawlence@btinternet.com or by doodles on hard copy paper to Anthea, Tite Cottage, Main Street, Winster by Maundy Thursday 17 April 2025 6pm. All ideas will be considered by us, with the winning entry becoming our logo as well as appearing on the summer Wakes Day Pickleball float in July. Not only that, but the person coming up with the chosen design will be invited to join the float on the day.

Looking forward to your entries! Anthea and Simon

Fancy a go at Short Mat Bowling?

Short Mat bowling has become popular recently and locally there are clubs in Darley Dale, Youlgreave and Matlock. It is a fun shortened version of the game and is played indoors, making the Burton Institute an excellent setting for a local group.

The BI management committee would like to know if there are people in the village who would like to attend a group and anyone willing to run one. Would anybody interested please email David Brown at david.k.brown@hotmail.co.uk

Did you know you can get FREE digital audio books online?

You just need your Derbyshire County Council library card and a free account with www.libbyapp.com. Download the app to your phone or other digital device. You can then 'borrow' a book for 21 days, download it to your device and listen at any time. There is also a magazine rack to browse - a lot of US stuff but also things like Gardeners World.

Today, Lent takes on a much deeper purpose in my life. It's truly a special time for spiritual growth. As a younger person I saw it as a period of sacrifice and abstinence. Almost like a 3 Para exercise run. It is much more than that. It is also about reflection, repentance and alms-giving. I embrace lent, as it gives me the opportunity to get closer to God. It allows me to prepare for Easter, similar to how Advent prepares us for Christmas. But sometimes we can be so busy doing churchy things we're too tired to work on our relationship with God. Or maybe we should say, our friendship with God

Lent is the time where we focus on God and make a more concerted effort to put Him first in our life. In March and April we can spend some time thinking and reflecting on our relationship with God. It's a challenging time when you and I take a hard look in the mirror and identify where we can make changes – where I don't practise what I preach.

Fasting and Abstinence

In addition to the usual abstinence and fasting on holy days, we gave some thought to what I would give up this year during Lent. Years ago, coffee, chocolate and sweets would have been the contenders. However, we need to look deeper. I wanted to choose something that perhaps was taking me away from God. Giving something up is great, but taking action is even better. Think of an action you can do to make the world and our communities better?

When we identify what we want to give up during Lent, it makes us become aware

how much we depend on other things rather than God and how they are leading us away or neglecting Him. Look at the saints, look at people of our community etc.

Alms-giving

Lent is also a time to evangelise, to preach the message 'Go and sin no more'. In Lent we also need to know that we are loved by God. God doesn't just love me; God loves all people. There is no one walking the earth today whom God doesn't love. It's a time to remember all those less fortunate and give back. We can think of people in need near and far. There is poverty and need on our streets and in countries the other side of the world. All need serving.

Reflection & Repentance

In this very noise-filled and media-cluttered world, it is becoming harder to hear God's voice. Add to that how "time-starved" we are, with a growing "list of to-do items" every day. But where is God on our to-do list? How often do we spend quality time with God in *silence*, meditating, praying and repenting? We need to turn off all distractions and spend time with God. After all, if my goal this Lent is to grow in my relationship with God, how can I do so without spending more one on one time? I look forward to the Holy Spirit guiding me further on what I am called to do. I hope and pray that you deepen your love of God this Lent. Please pray for me and I'll be praying for you every day.

Love & Prayers.

Rev'd Stephen Monk

Your photos for the calendar, please!

As a newcomer to Winster (14 years this year, how time flies!) I quickly learnt that a) attending something low key like a village quiz lulls you into a false sense of security, next thing you know you're roped into all sorts and b) whilst organising or doing whatever it is you found yourself saying Yes to, Winsterites are lastminute.com. Tickets, responses, you hear nothing then Wham! A deluge. I've lost track of the times I have been told it'll be fine, it's always at the eleventh hour.

But - I take it all back ! An appeal to keep clicking throughout the year for calendar photos and I have an inbox full. Some great pictures taken in the recent snow, views, spring flowers. Keep 'em coming as you capture those 2025 moments. Rachel@winster.org.

Please remember to use your 'phone or camera in landscape and remember the brief. The calendar photos need to capture Winster, village life or events. Thank you 😊 Rachel C

It is with great pleasure that I include the first of hopefully many pieces by young people of the village. This piece documents the conversation between Daisy Lee and one of our older residents, Gill Elliot, capturing Gill's memories. If you would like to join in this initiative either as the interviewer or interviewee, please do get in touch with Geoff Lester at geoff.orchardmine@gmail.com or +44 7717 338590

Your life in Winster!

Daisy Lee aged 14 interviewed Gill Elliot born 1950 in Winster

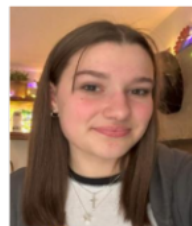

I interviewed Gill about her life in Winster, and she gave me everything from jobs of the time to games they used to play, and here I have written a small summary of what Gill told me about. Please be aware that this is Gill's memory and things may be slightly different to your own.

Gill Elliot

Connections:

Gill has many links to the village. Her grandad was a pork butcher and Gill's kitchen today used to be his shop. She told me of many a time there was a pig's head in one of her kitchen windows. Her parents used to run the Bowling Green and her mother used to play the piano for a bit of karaoke (a sing-song). Her name was Dot Fearn and some of her stories are in the Winster book.

Daisy Lee

Carnival and childhood:

Gill told me about her adventurous, carefree experiences of being a child in Winster but some of the stories that I found most interesting were her tales about carnival. She said that once carnival was in Oddo field and they got horses that the children could ride about the field on. As well as pony rides, many kids used to ride on the back of hay carts and once Gill was even given permission to ride a cow! Can you imagine that today - cow rides along main street? Gill also told me of many a time she would get in a bit of trouble for climbing walls and running about outside playing all sorts of games and going on enjoyable adventures. Listening to these stories just showed me how much Winster has changed in the last fifty odd years and how much it has developed but also in many ways stayed the same.

School and Snow:

Gill only went to Winster school for one year but when she did she had an amazing time, her fondest memories being of when it snowed. As many of you may know, or if you don't there is a slope in the playground at Winster school, and due to the icy cold conditions of the harsh Winster winters at the time Gill had much fun sliding down, making slides out of the ice and of course throwing and dodging snowballs. School was even closed just to go sledging in the fields around Winster - some as I know are still used by kids today to sledge in when the winter comes around. However, due to the outcomes of climate change our winters now in Winster are not quite as ruthless as Gill describes hers: she was snowed in a fair few times, which was great fun for a child, but this caused havoc, as shops couldn't get any fresh food and no one could leave the village. But thankfully the treacherous conditions of snow only lasted around a week.

This is just a very small summary of Gill's stories about Winster. I am sure that if you would like to know any more exciting adventures about Gill's life she would be more than happy to share them with you.
