Winster Country Show July 2025

Not Long Now!

I don't know how, but here we are already in May. I'm writing this for the June edition which seems ridiculously early to be half way through the year!
If you haven't already, it's most definitely time to start on those lovely entries for the Winster Country Show. Plan your project, jiggle up your your jams and jellies, start your stitching, wind on your wool, chisel the chestnut, rehearse your recipes, pick out your paints… OK, you must get the idea by now, but I could never resist the allure of alliteration (Ooops! Sorry, there I go again).

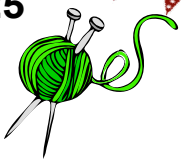

Again the list of categories for you to keep handy at "Winster Country Show 2025 Categories" on page 6

The entry forms will be in the Winster Village Shop and online at Winster.org from 11.06.25 so no time like the present to get weaving (or knitting, or drawing, or beading…).

If you want any more information at all please contact me on aliabsolute@hotmail.com or 650303, or 07836512149.

Happy & Healthy Men: Men's Sheds

There are currently no UK Men's Sheds in the Derbyshire Dales!

Connection, conversation and creation - that's what joining a Men's Shed is all about.

Men's Sheds encourage people to come together to make, repair, re-purpose, and share skills. They support projects in their local communities such as building things for schools or helping maintain green spaces. Sheds improve well-being, reduce loneliness and combat social isolation. Research gathered by the UKMSA Health and Well-being Survey 2023, suggests 96% of Men's Shed attendees feel less lonely since joining a Shed.

Sheds are whatever their members want them to be. Often, they aren't sheds at all. Many don't have premises in the beginning and instead form a group that meets regularly for the company and camaraderie until they can find somewhere to kit out with tools. Sheds typically attract older men, but many have younger members and women too.

Please call Amanda at DDCVS 01629 812154 (Option 1) for more information on Men's Sheds in your neighbourhood or how to go about setting one up

August Village Magazine dates

I've kept colour pages to a minimum this month as I'm saving up my pennies for a colour-filled August edition of the village magazine. We are planning for the August edition to be a few days later than usual. Why? I hear you ask.

Normally it hits your doormat around the 23rd/24th of July, but everyone will be busy engaged in Secret Garden activities and, after what everyone hopes is going to be a really successful 19th and 20th July, the committee will wish to provide you with a review of how it went.

This slight delay gives everyone an opportunity to send their favourite photos of Wakes Week and Carnival events as well as Secret Gardens weekend, for inclusion in the August magazine.

Get them to **mag@winster.org** by the 22nd July, please, or to my 'alter ego' email address of **villagemag9@gmail.com**.

N.B. All emails to mag@winster.org are automatically forwarded to **villagemag9@gmail.com** anyway and that is the email address from which I will respond. Feel free to use either.

Helen Witty - editor

Normal magazine submission date is 18th of each month - except for Christmas edition which comes forward by one week to 11th December.

A June Letter

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness , self control." (Galatians 5. 22 – 23)

We've just had the hottest day of the year so far (May 11th) and when we have the sun shine down we can see the gardens starting to grow and bloom. I'm not a gardener and to be honest I envy those who can walk into a garden and name all the flowers and shrubs as they look around. Living where we do in Derbyshire we are truly blessed that we can see the beauty in nature in a planned garden or walking in the countryside. Different but still beautiful. But, can we take a moment to think about what is needed for the blooming of Derbyshire in our gardens and in our amazing countryside. I know I'm stating the obvious but to me you need water, sun, and care or preparation. I'm aware your gardens aren't breathtaking simply because you wish them so. You put work into them. Then we see great growth.

Think of our spiritual growth – to grow in a spiritually healthy way and to nurture our faith we need the Holy Spirit. In Galatians, Paul gives us a vision of what a Spirit – filled life looks like. The quote above isn't just lofty ideals which set us all up to fail. But they are tangible fruit that can grow in us when we follow Christ. Unlike preparing a garden, this isn't back braking nor is it reliant on us alone, No, ironically, as Christians the way we can grow in service of Christ and of all people is in surrendering - opening ourselves and our hearts in times of prayer; in reading the Bible; and living in a community which is outward looking to the needs of the world. The reality is we cannot force the Holy Spirit to give us these gifts or at least some of them. No we have to be open, humble, and loving – then we are prepared to receive the Spirit. So June can be a time of growth, change and building bridges and friendships with people around us.

But there's lots more happening about June. It's a time of transitions, school year ends; exams are sat and then there's a waiting for results. (Lets not forget to pray for our young people; often, life is tough for our children today, but lets also pray for parents, teachers, governors, and other school staff). For those who carry many mental burdens June also reminds us that season always change. Our lives move in seasons. The darkness of winter is replaced by light and life. But we must remember we're all different. Whether you're in a season of flourishing or waiting, know that God, who begins a good work in us and in our communities will bring it to completion. May this summer be a time of growth in your spirit, peace in your heart and in your home; and deep love in your heart.

With my love & Prayers for you and all your loved ones.
Revd. Stephen Monk

B5057 closed between Winster and Wensley

Derbyshire County Council (DCC) are resurfacing the B5057 between Winster and Wensley. This involves several different processes, which need to take place on different days, with gaps in between.

The formal “Road Closure Notice” is from 27 May to 8 August (74 days!) but Parish Council have, after repeated complaints, managed to get DCC to give us a specific schedule of works:

Thu 29 May

Fri 30 May

Tue 1 July *(finishing no later than 1800, to avoid problems with access to Carnival football match)

Wed 2 July

Sunday 13 July

Monday 14 July

Tuesday 15 July

On weekdays, DCC are limiting the working hours to 0900-2000 with a pause between 1500 and 1600: this allows school-time buses to run in each direction. But whilst the road is closed, buses will not come into Winster, and the nearest stop will be at Elton Crossroads.

These dates might change if there are problems: if so, DCC will give us new dates and these will be posted onto the village website, Facebook page, and noticeboards.

John Geddes

May I introduce myself - your Councillor Susan Hobson

I was recently elected as the new Derbyshire County Councillor for Derwent Valley Division - which, following Boundary Commission changes, now includes Winster. I replaced Councillor Simon Spencer, who stepped down after many years of service, and I would like to thank him and also introduce myself to the community. I am in my second term as a County Councillor and I am also an elected representative for Chatsworth Ward on Derbyshire Dales District Council. You are probably aware that local government reorganisation lies ahead so it is unclear how long both councils will continue. The Reform Party are now in charge of the administration at DCC and it is unclear what their priorities and aims will be. My role is to act as a conduit for yourselves and Winster Parish Council and I look forward to seeing you at Parish Council meetings and also in the village at social events. It is vitally important that everyone signs up for updates from both councils via email, and also scrutinises the agendas that are published, so that you are aware of proposals that are being put forward. Many years ago I worked at Winster Surgery so I am familiar with the village and some people may even remember me! The best way to contact me is via email at susan.hobson2@derbyshire.gov.uk<mailto:susan.hobson2@derbyshire.gov.uk> (or alternatively on 07773 744686)

Kind Regards

Councillor Susan Hobson
Derwent Valley Division

Winster Local History Group Last Meeting of the Season

Sunday 15 June. A walk from Cromford Mill, visiting Aqueduct Cottage and Leawood Pump House.

Rather different from our usual June guided walks, and on a Sunday (happens to be Fathers' Day) because only then are the Cottage and Pump House open.

Meet outside the Bowling Green at 10am so we can share lifts to Cromford Mill. The walk will be about one hour out and one hour back, on the flat. Please bring your own picnic. We should be back in Winster by 3.30. I'll send out any further information to members nearer the time. For anyone who cannot manage the walk there's a car park closer to the Pump House as another option. Geoff

Winster Wakes and Carnival Archive Events June 18th, 25th and 30th

Although we already have a wealth of material and memorabilia (photographs, documents, newspaper cuttings) covering Wakes and Carnivals in years past, we would really like more, especially the individual and personal items that only you, or a few people in the village, might have. So if you have anything to share, bring it, if you can, to the Jubilee Room between 10am and 3pm on Wednesday June 18th or June 25th to one of our Public Digitisation Days.

https://winsterwakesarchive.org.uk/

If you do not wish to donate your items, we will make a digital copy. We will also provide you with a digital copy if you would like.

We would also like to record people's memories and, if you be willing to let us do this, please let us know.

On Monday, June 30th we are holding a "drop in" session at the Burton Institute from 4pm to 6pm. This is part of the Wakes programme and we hope you will come along to find out more about the project. We will be demonstrating the new web-site and also displaying interesting items that have already been unearthed. Refreshments and other 'freebies' will be available too. So we hope to see many of you.

Sue Thompson interviewed by Maisie Baldwin aged 13

Sue was born at Darley Bridge and her first home was her granny's cottage. She remembered moving house with an old pram to transport her furniture and belongings. One of her fondest early memories was Christmas, when her dad made her a toy cot and her mum made the drapes. Her dad worked in Gregory's sawmill, so the mattress was stuffed with sawdust! Sue went to Greenaway Lane secondary school, where children from Winster also went, so she already knew quite a few people when in 1960 she moved into the house on East Bank where she still lives.

Winster was more of a small town then. Sue remembered a variety of shops that lined the street. There was an ironmonger called Gildings, Mrs. Webster's haberdashery, and Mosley's shop, which was a small supermarket. You could get petrol from "Putty" Gregory and paint and wallpaper from Marshalls. There was a fish and chip shop, someone selling the milk, a bank, Hodgkinson's for televisions and bikes, a post office, Burton's shop and George Will Stone's butchers. Betty's newspaper shop was up West Bank and up on East Bank Mrs. Hodgkinson and Mary Scriven sold sweets and cigarettes and 'Whittaker's pop, the best lemonade you could get".

Sue talked about the lively carnival as we still know it today. She and her friend Monica always eagerly took part. She also remembered a past tradition of tramps' supper. Then there was tug of war, for men and women. Sue's favourite event was the carnival day itself. One year she dressed up as a large lady "nursing" a friend dressed as a baby, which made it into the Matlock Mercury. She also remembered a time when they paraded through the streets playing silly songs on bazookas and 'comb and paper'.

People worked in various places, and she herself did winding work in Drabble's Mill in Lumsdale. Winters were harsh, with lots of snow. Gerald Slater used his tractor to clear it, but it was difficult because the roads were so narrow. She also shared a funny memory about helping to make black puddings. She and her husband bought a pig from Cooper's farm and she remembered being told to "keep stirring the pig's blood", which was used for the puddings. Sue said that that pig lasted them for about three years in their freezer!

Sue's favourite village event nowadays is the Secret Gardens and she enjoys the Luncheon Club too. She also mentioned how she would love to see a race for mobility scooters on pancake day! So I learned from her a mixture of the old and the new – some things that still go on and some not. But stirring the pig's blood and making music by blowing through a comb and paper – how many young people will ever have that experience?

Wyns Tor Singers Summer Concert, with violinist Charlotte Hand

Sat 7th June 7:30pm All Saints Church, Youlgreave

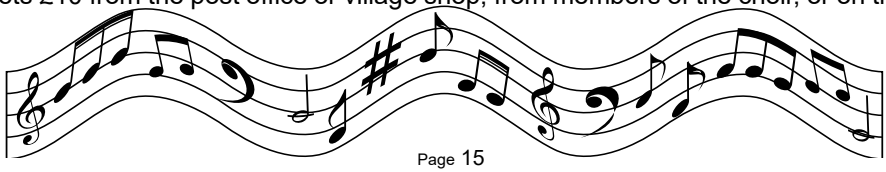

Winster's chamber choir, the Wyns Tor Singers, invite you to a summer concert in support of the Youlgreave church appeal, to help install a kitchen and toilets.

The choir will perform an exciting and varied range of contemporary choral music, and folk songs from all around the British Isles. This will include favourites by Ola Gjeilo, Peter Maxwell Davies and Bob Chilcott.

Guest artist Charlotte Hand is a rising star in the national music scene. A native of Crich, she has played with Derbyshire Youth Orchestra, the National Youth Chamber Orchestra, and at the Last Night of the Proms. She is graduating from the Birmingham Conservatoire, and is training with the City of Birmingham Symphony Orchestra. Charlotte will share some of her favourite music.

Do join us for this fun evening of fine music – it would be great to see a Winster contingent.

Tickets £10 from the post office or village shop, from members of the choir, or on the door.
