50p non-residents

It pains me to say it but autumn is just around the cormer. We've had a great summer thanks to the weather and to the people of the village who have put their hearts and souls into making all the summer events memorable.

The front cover is butterflies sunbathing in our garden - when not all over our Buddleia.

Abundance! The village orchard trees are bending under the weight of the fruit. Don't forget those fruits are for all villagers - leaving enough for other people, you could still have a lovely apple crumble for Sunday pudding. Enjoy your harvest festivals.

PARISH COUNCIL MESSAGES

Footpath to Play Area

The footpath to the play area from Florence Gladwin is complete and it is good to see it being used regularly. However there is some concern about it being used by children as a bike ramp. It is understandable that children would do so and we don't want to spoil fun but could parents/ carers please have a word with their children and remind them to be careful and mindful of others.

Parking and dog fouling in layby near the Church

Could we please remind people to be considerate when parking in the layby past the Church and not to block or park on access to Oddo. Further, there is considerable dog mess in this area so could we remind people to clear up after their dogs in this and all areas around the village. As a reminder dog mess can be put in all bins if bagged correctly.

CIDER ANYONE?

The Community Orchard has both Yarlington Mill and New Commandments apples, suitable for cider making along with Barnet perry pear.

This year there are some damsons and plums – look on the underside of the Warwickshire Drooper plum tree (not quite ripe yet). However, there are plenty of eating and cooking apples and bullaces (similar to apricots). There is an interpretation board listing the various trees and all have black name tags though you may dispute some of them! The Orchard tripod ladder can be borrowed for those hard to reach fruits.

The ripe fruit can be picked by anyone in the village – just leave some for others! And don't forget the Annual General Meeting on Wednesday 3 September at 7.30pm at Ashlea Woodhouse Lane, thanks to Wendy & Cynthia.

Need more info contact Anthea on (01629) 650480. We love volunteers....

Events in Winster in the last 50 years

This has turned out to be a story in three parts, and this last part will take a broad look at how village life has changed, even in this short time. Specific events, too. Remember when the cow fell down the mine shaft, or the cavity that opened up in the road? All will be revealed.

Subscriptions of £5 for the year will be gladly received.

Monday 20 October at 7.30 in the Burton Institute Jubilee Room

AGM and Party.

Major changes are afoot. Please come along.

Celebrating 20 Years of Winster Village Shop – A True Community Gem

If you've ever popped into Winster Village Shop for a pint of milk, a fresh loaf, or just a friendly chat, you've experienced first-hand what makes this place so special. For those new residents and visitors to the village, here's a little background on a beloved local institution that's been serving our community with heart and purpose for two decades.

A Shop Built by the Village, For the Village

Back in January 2005, a small group of determined residents—including David Mitchel and Rod Shiers—came together with a bold idea: to create a shop owned and run by the people of Winster. And they did just that. They took over the former GB shop premises and launched what is now proudly known as **Winster Village Shop (WVS)**. Their mission was clear: to run a financially sustainable, community-managed shop, staffed by local volunteers, and dedicated entirely to the benefit of the village. That mission has not only survived—it has thrived.

A Lifeline in Tough Times

The value of the Shop was never clearer than during the COVID lockdowns, when it became a lifeline for many in our community. Whether it was doorstep deliveries or just the comfort of knowing it was there, WVS stepped up when it mattered most. In recognition of this extraordinary service, the Shop was awarded the **King's Award for Voluntary Service (KAVS)** in 2023—a real badge of honour for our volunteers and the wider community.

A Hub for Locals and Visitors Alike

Fast forward 20 years, and the Shop is still going strong. It welcomes locals, holidaymakers, and passing visitors 365 days a year. Inside, you'll find everything from everyday groceries and household essentials to a tempting array of premium quality goods, from over **20 local suppliers**—not to mention your favourite big-name brands too!

Fit for the Future

Despite the tricky economic climates and uncertainty over in recent years, the Shop has survived! Curious about how we've done it—and what lies ahead? Then don't miss our **Annual General Meeting** on **Thursday 4th September at 7pm** in the **Burton Institute**. Led by the Shop's Management Board, it's a good opportunity chance to get involved and the hear about how the business is being conducted, the plans for the future, and how you can help in the goals of our community shop.

It's a key event for anyone who cares about the Shop and our village—**so please pop it in your diary** and come along!

Powered by People

What keeps the wheels turning? Nearly 40 fantastic volunteers! These everyday heroes serve customers, stock shelves, manage deliveries, and carry out countless behind-the-scenes tasks—all working closely with our dedicated paid staff and managers. Coordinated by **Rachel Miller** (a volunteer herself), this team is the beating heart of the Shop.

"..Maybe it's not too late. To learn how to love and forget how to hate."

Words not from Jesus nor the Bible but from Ozzy Osbourne. The 'prince of darkness'. Many Christians have condemned this terrible satanic man. The sad problem is not many of those Christians have seen Ozzy live. Yes the bleep machine would blow up with the language! But Most of Ozzy's songs had a positive and life giving songs. I'm not trying to be topical nor trendy. (As an Ozzy fan I'm guessing being 'trendy' has past me by.) When asked why Ozzy did what he did the response was, "All I ever wanted to do was to do something good so that my parents could be proud of me." Think for a moment of our young people who are still digesting their A-level and GCSEs results. Some young people ecstatic, others crushed. Music, any music touches one's soul. At a funeral today Barrie, our amazing organist played the hymn, 'The day thou gavest Lord is ended…' The tune, the words and even the pauses - all things can be powerful if we have as Jesus said, 'Ears to hear.'

Ozzy was a man who punished his body for many reasons. But during his final weeks and months he let people see the real Ozzy, the great love he gave and received from his family and close friends. He died with love surrounding him and he'd made many people proud.

A lyric that should challenge our churches is, "There are no unsavable souls" I wonder if he saw himself in these words?

Ozzy also was a humble man; think about the following words, "My son Jack once said to me, ' Dad, do you think people are laughing with you or at you?' And I said, 'I don't care as long as they're laughing." We can be very pompous in our Churches and how we deal with new or different things. For years he was called the Anti Christ and yet every night he said more than once with the greatest passion. "I love you all, God bless you." I know the power of this as I was lucky to see Ozzy in concert twice. Imagine someone who asked God to bless between 15 – 150,000 thousand men, women and children.

I'm not saying Ozzy was a role model in every aspect of his life. But, neither am I nor you. Yet, Jesus Christ can work through Ozzy, and me and you. God in Christ works through the power of the Holy Spirit in our Brokenness. So as we pick up the pace after our summer breaks, let us value the gifts of humility, compassion and having courage to look at our shadows, our brokenness and allow Christ in. Allowing Christ in is the first step to walking the path of a Disciple of Christ. Working together with vastly different people all trying to build up the family of God. Whatever your taste in music and whatever your taste in church and worship – please be open to different things as ''God speaks in a thousand places.'' God bless you all this September and may God especially bless our young people. Amen.

Very Best Wishes.
Stephen Monk
